## Big Scout Program Is Launched for the Boys of Cameron

## REDPATH-HORNER CHAUTAUQUA OPENS IN CAMERON JUNE 16

### O. L. KIDD TO ADDRESS VETERANS MEMORIAL DAY

#### LEGION MEN TO HONOR COMRADES WHO DIED IN WORLD WAR

Memorial Day Monday, May 30 will be observed in Cameron with the members of the American Legion giving a program in district court room beginning at 11:15 o'clock a. m.

All business houses in Cameron are requested to close for this ceremony. The places of business will be closed from 11 until 12 o'clock for the hour in which the people will honor those who died for America.

O. L. Kidd, Cameron Attorney, will deliver the annual memorial day address.

In the afternoon the Legion men will go to the graves of the war dead in Milam County and place flowers and a flag on their graves. The full program for the exercises is published elsewhere in this edition together with a page memorial contributed by business men and firms in Cameron honoring the men who served and died in the late world war.

Rev. J. P. Love of the Episcopal church will have charge of the sale of poppies for the day. The proceeds of this sale will go to the Legion in Cameron.

The public is invited and urged to attend this memorial service, the annual event of the Legion men to honor those who died in the world war.

### JOBBERS ARE BEATEN BY THE BLACK CAPS

#### JINX DENSON LETS THEM DOWN WITH THREE SCATTERED HITS TUESDAY

The Mailed Knights of Skipper Love played superbly behind the marvelous slow balling of Jinx Denson who let the Jobbers down with three scattered hits, took another game Tuesday in the city league race and pushed up their average in the percentage column.

Captain Bob Joslin had a much better club on the field Tuesday than at any previous time.

Rodesney's team, showing at times some real flashes, could however, never quite get away with a good start. Costly errors made by the Jobbers were responsible for the disproportionate score. The Jobbers made ten errors and the Knights made 4.

The official score at the end of the seven inning game was 9 to 3.

Eanes pitching for the Jobbers was a bit erratic at times. He went to left field in the fifth frame and was relieved by L. Matula who fared little better at the hands of the Black Caps who had on a batting spree for that day.

Bob McCown at third base ended the game with a sensational catch of a foul in the seventh when two were down and the bases half full. He ran from position to the left field fence and behind the screening to make a wonderful catch.

Big Charlie Nabours showed them that he can boot off the knee and recover and get his man. Charlie's bat was wicked. He batted 500, up twice and got two nice singles.

Earl Adrian was a batting champion of the day getting up twice for two hits.

The fielding of the Knights was superb. Bill Baskin, Earl Adrian and

### TWO ARE TIED FOR GRADUATE HONORS

#### SCHOOL CLOSSES WITH 53 GRADUATES FROM SENIOR CLASS

The Cameron Schools have closed another successful term.

Graduating exercises for the pupils of the seventh grade will be held in the Yoe High School auditorium Monday morning, May 30, at 9 o'clock.

The Graduating exercises of the class of 1927 of the C. H. Yoe High School will be held in the High School auditorium at 8 o'clock Monday evening, May 30. Dr. J. C. McElhamon of Baylor College will deliver the address. There are fifty three graduates in the class. Mabel Lene Graves and J. Edwin Crowell tied for valedictorian and Ethel Collins is salutatorian.

Dr. R. E. Dickenson, chaplain of the school of theology of Southern Methodist University, will deliver the Baccalaureate sermon to the class Sunday evening, May 29 at the First Methodist church.

Friday evening, May 27 at 8 o'clock "Campus Follies" will be presented by the Senior Class with the assistance of the Blue Bird Choral Club, under the direction of Miss Eloise Rogers.

Bathtubs as an accident cause are twice as deadly as stepladders, according to a recent annual analysis made by an Illinois insurance company.

Porterfield in the outstretches robbed the batting jobbers of many seeming hits.

Bones Cheeves batted 500 making two singles out of four trips to the plate. Jake Posey playing at first also batted 500 getting one out of two. Jake made two errors at first but recovered on one and cut his man out on second. Mollie Burke is a sensation at short stop, a base runner par excellence and the best infielder in the league.

The Jobbers show some excellent material in Thompson at third base who bats like Homer Peel and fields his position like a veteran. Raymon at shortstop is fast, an excellent base runner and all round player. The expected hitting of Jenness, catcher and Alford at first base did not occur.

Lefty Story in right field was a tower of defense for the Jobbers while Head at second, making five errors, got one of the three hits and played a good game. Chandler and Matula showing up fair may be expected to develop into good men before the season is over.

The following box score tells the story of how Jinx, the little giant held them to three and got one hit and made two runs beside:

### Local Insurance Co. To Put On New Class

L. C. Estelle who recently purchased the Milam Mutual Aid Association from M. L. Harvey announces that he will put a business men's class on the market with policies worth \$2600. In this announcement Mr. Estelle is to post \$1000 to make the policy more substantial to start with. This amount is equal to more than three hundred members.

In this issue Mr. Estelle has a large announcement about his purchase of the company.

Mr. Estelle was formerly a resident here and is well known. He is thoroughly capable of conducting the insurance business he is now engaged in and the company is fast growing.

### Baseball Here Sunday

Cameron and Rockdale will meet here in their third game of the season next Sunday. The first two games were played in Rockdale. Each club has won one game. The game last Sunday was the best ball game seen in this part of the state since the time of the Cameron Comets. Rockdale nosed out Cameron by a score of 2 and 1.

The two teams are very anxious to get the odd game of the series and the fans will be assured a good game. If you like baseball you will enjoy this game.

### RECKLESS TINKERING WITH OUR CONSTITUTION

On August the first, 1927, the citizenship of Texas are commanded to spend more than two hundred and fifty thousand dollars of the tax payers' money to pay the expenses of a special election, ostensibly to make some constitutional amendments. But the real purpose of this election is to take from the people the privilege of controlling and administering their local affairs in accordance with their local conditions.

Unless the citizens take more interest in public affairs, in which their welfare is so vitally concerned, and conserve to themselves through the ballot their authority to manage their local affairs, they will soon awake to find that they are living under the most extravagant deadly form of government that ever tortured the human race.

If there ever was a time when the people should go to the polls and vote it is in this struggle to save them from the deliberate robbery of their heritage of local self government. It is not a change in our constitution that we need, based on speculation and hope, but it is more industry, ability and unselfish service by those elected to public office.

The instrument which the public officers have placed at their disposal, wisely applied and honestly lived up to, will save and serve every interest. We have great problems to solve: our agriculture, live stock, marketing and taxing, all worthy of the best intellect. But cannot we solve these without the reckless tinkering with our Constitution or creating new bureaus?

It is true that we need some revision in taxes, but it is a revision downward that we need. Tax levies are now disproportionate to the return on capital investment.

The voters of Milam County on August the first will go on record as unalterably opposed to fritting away their sacred rights by voting against all the proposed amendments to the Constitution.

A. N. GREEN.

### CHURCHES LEAD OUT IN SCOUT MOVEMENT

#### THREE TROOPS BEING RECRUITED IN CAMERON AND PEOPLE PROMISE AID

Three scout troops are now under organization in Cameron with competent leaders as follows: Joe Matula, scoutmaster for Troop No. 1; Larry Hackbeil, scoutmaster for Troop No. 2; G. N. Rodesney, scoutmaster for Troop No. 3.

These troops are being sponsored by the churches and Bible classes among the men.

Rev. J. P. Love is chairman of the general scout council and the program for the boys is getting under way in a manner that is both encouraging and satisfactory.

Joe Matula from the Methodist church reports the completion of one patrol and is now recruiting for another patrol next week and has applied for a charter.

Those sponsoring the movement are the Men's Bible Class from the Methodist church; Episcopal church; Men's Bible Class from the Baptist church; Christian church and Presbyterian church.

It will be of interest to the people of Cameron to read in this issue a page dedicated to the movement by the above organizations. In this page will be found some fine sentiments for the boyhood of Cameron and what the churches hope to achieve for the youngsters who will be the men of tomorrow. There is no drive or campaign for funds but out of the generosity and interest of these organizations the announcement is contributed.

The churches and those sponsoring the Scout movement desire the co-operation of the people at large. Indications are that the Scout movement will receive the co-operation necessary for success and thus will be inaugurated and maintained a clean and wholesome diversion for the boys who otherwise would look for their fraternity and pleasures in less desired circles.

This is the greatest concerted movement in recent years and it is hoped that the people of Cameron will respond with every possible effort as occasion demands to make the movement succeed and to bring about this fine diversion for the young boyhood of Cameron.

### CRUSADERS KEEP UP LEAGUE LEAD PACE

#### PRINCE BOB'S NORTH ENDERS TAKE 11 HIT VICTORY OVER JOBBERS

Prince Bob's Crusaders are keeping up the big parade.

The latest festival was the 11 hit and 5 run victory over the Jobbers played on last Friday afternoon at Lawless Green Field. The Crusaders are leading the league, having won every game played.

Sterling pitching for the Crusaders let the Jobbers down with four scattered hits while his teammates got 11 from the delivery of Red Alford who fared rather bad on account of poor support at critical stages. Sterling not only pitched a superb game but got two hits out of four times to the plate.

Terry Wiley for the Crusaders and his companions, Baggett, Hackbeil, each got two hits.

Considerable interest now attaches to the pennant race in the city league with the Crusaders leading and the Black Caps in second place. These teams are to play next week and a

### EVERETT KEMP HERE IN ADVANCE OF OPENING

#### CHAIRMAN W. O. TRIGGS LAUDS PROGRAM AND PREDICTS LARGE CROWDS

Everett Kemp of Kansas City the organizer for the Premier Circuit of the Redpath Horner Chautauquas which is to visit our city soon, is most enthusiastic about the program.

In a conversation with him he pointed out that the entertainment features are very strong this year. Some of the more spectacular num- plays: "The Patsy" and "Fine Feathers"; a "Night In Hawaii," by the Vierra Hawaiians and the brilliant comic opera "Firefly," with a host of nationally known musicians.

To those who enjoy quartet music, the Premier Male Quartet, will give the most pleasing numbers while those who prefer music of a classical nature will find the vocal and instrumental music of the Giles Artist Trio more to their liking.

The two entertainers, Evelyn Gaston and Joy Johannes, the lecturers; Chas. H. Plattenburg, humorist and community enthusiast; A. E. McDonald, one of America's foremost authorities on vocational guidance and Irene Tihen, specialist on diets and great girl athlete; are some of the people who will long be remembered for their inspiration, fun and information.

Chairman W. O. Triggs for the Chautauqua, in company with Mr. Kemp has been doing some effective publicity for the program. Mr. Triggs says the ticket sales for the Chautauqua will start sometime next week. He has been in charge of the Chautauqua arrangements for the past several years and has made a success of it. He deserves much credit as well as those who are associated with him on the local committee for the arrangements.

The Chautauqua this year will be held in the city park as usual. Large crowds are looked for as the program is unusually good this season.

## Beautiful Party

Mrs. C. A. Sprott, assisted by Miss Edna Sprinkle, entertained Saturday afternoon, May 21, in a charming manner at their home, honoring little Miss Elizabeth Sprott's eighth birthday.

Class mates and neighborhood friends of the little honoree were present.

A color scheme of pink and white was prettily carried out in decorations.

Charles Sprott Jr., Misses Katharine McIntosh and Jane Tyson assisted in entertaining the guests. Outdoor games were played on the lawn.

The children were invited into the dining room where a large heart shaped cake on a silver reflector centered the table. This beautiful cake was baked in the pan which was made expressly to bake the wedding cake of Elizabeth's grandmother, Mrs. Wm. Sprinkle. Eight white candles graced the cake. In the center was a May-pole wrapped in pink satin ribbon and streamers were suspended to either side where a miniature doll centered a horse shoe formed by tiny pink and green May day baskets containing mints topped with a bright pansy. These baskets were given as favors. The candles were lighted and songs were sung for the honoree; wishes were made for many, many returns of her birthday. Cream cones and cake were served, and afterwards the birthday cake was cut and emblems were received by Amelia Freeman, wishbone; Wynelle Kidd, ring; Bessie Louise Harris, thimble; James Brogdon, button; Josephine Newton, nickel.

## NOTICE TO MANUFACTURERS OF ROAD MACHINERY

Notice is hereby given that the Commissioners Court of Milam County, will on behalf of Thorndale Road District No. 6, open bids at ten o'clock, Thursday morning, June 16th, 1927 for one Caterpillar tractor and one leaning wheel grader.

## A LOTTERY WITHOUT A WINNER

By W. R. MOREHOUSE  
Public Relations Commission, American Bankers Association  
(There is presented herewith the first of a series of articles exposing the tactics of sharpers who are after your money.)

ALMOST unbelievable amounts are lost to the American people annually from unwise ventures. This loss, estimated at nearly one billion dollars a year, is accounted for when you take into consideration that practically all of the money "invested" in numerous fake schemes and half-baked projects is forfeited by the investors. In presenting this series of articles regarding sharp practices and various kinds of swindles we hope to prevent thousands of people from falling into the traps already set for them by irresponsible and unscrupulous promoters.

W. R. MOREHOUSE

Through the use of only actual cases selected from several thousand, it is hoped to prove conclusively the futility of taking a "gambler's chance" with your savings, for as in a lottery without a winner you are bound to lose. Much of the material here used has been supplied by the Better Business Bureaus throughout the United States which are non-profit organizations serving the investor without charge and acting wholly in the public interest. Read these cases and then file them away for future reference, for sooner or later you may find yourself on the verge of "taking a leap in the dark",—of speculating with your savings as the people here told about were inveigled into doing.

A "good front" has put over more crooked deals than any other one thing. Every irresponsible promoter specializes in putting on a "good front" in his dealings with those whom he fleeces out of their savings. Whether or not he is successful is due to a large degree on how good a front he is able to put on. In motion pictures, the sets, or "props" as they are called, supply the setting for the scenes. They are used to portray things that seem large, things that seem grand and beautiful. Peer behind those sets and what do you see there? You see that the attractive fronts are supported by braces made of the cheapest, knottiest and poorest timber imaginable. They serve their purpose in the world of make-believe, but in real life you cannot afford to buy

The Lure of Easy Money

only good fronts. Your house must have real rooms behind it, your purchases and investments real values. In the field of wild-cat financing if you peer behind the "good front" which the promoter puts on you will find that it is supported only by deception, dishonesty and fraud.

Unscrupulous persons of the "good front" type are expert actors in the role of "big brother" to inexperienced investors with money at their command. As protector and advisor to the widow and the inexperienced, which they claim to be, they are in reality wolves in sheep's clothing.

Gaining the Victim's Confidence In personal appearance they are impressive. As conversationalists they are convincing. As students of the traits of human nature they rate high. In short, they know how to stalk their prey successfully. With

sands of dollars without effort or risk,—he may describe some invention selling for an astounding sum, or depict the prospects of a fabulous mine or oil company that is going to double and treble in value over night. As a climax he may paint the picture of a vine-covered cottage which is to be yours in your old age, with its radiantly burning fire on the hearth and with all the luxuries that go with a happy home. And finally, he may paint you sitting before this fire, happy and contented—Independent for life, as the result of an investment made according to his advice.

But there is a great difference between what you get and what the wild-cat promoter paints in the imagination of his victims. By the lure of easy money he leads them over the precipice of financial ruin. Instead of old-age ease and comforts there usually results poverty and privation.

## JACK TAYLOR SETS NEW DISCUS THROW RECORD

HURLS IT 150 FEET TO WIN TITLE AT HOUSTON MEET LAST SATURDAY

Jack Taylor, Baylor track star during the three seasons past and famous for his "off and on" days with the discus, rose to the heights of his career in a weight way in Houston Saturday when he heaved the discus 150 feet 4 1-2 inches to set a new Southern A. A. U. record. This marked the second time during his career that he has gotten off a good throw when such throw really counted. The first time was at the National Intercollegiate Meet in Chicago last year when he placed second at that meet with some 147 feet.

Taylor holds the Southwestern conference record with the distance of

143 feet. This mark was made at the close of the 1926 year. Gooch during the past season has apparently been a "jinx" to Taylor, beating him on every occasion that they met. Gooch could get 141 feet consistently while Taylor experienced his off days too frequently to hit his top stride when pitted against Gooch. So Gooch won the conference title in this event at the conference affair in Houston week before last. But in the meet in Houston Saturday, undoubtedly the biggest track attraction of the South, Taylor beat his rival by better than ten feet.

As the conference meet closed in Houston, Taylor finished his Baylor track career. He performed in the Southern A. A. U. on his "own hook." In coping the A. A. U. title in this event, Taylor established himself as the greatest discus thrower in the South and among the greatest in the nation. He bids fair to cop the National Intercollegiate title in Chicago this year and possibly the National A. A. U. honor. The later meet will be held in Lincoln, Nebraska—Baylor University Lariat.

### NOTICE IN PROBATE

The State of Texas

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas  
To all persons interested in the estate of Charles M. Williams, deceased: W. B. Cochran has filed an application in the County Court of Milam County, on the 23rd day of May 1927 for appointment as administrator of the estate of Charles M. Williams, deceased, which said application will be heard by said Court on the 6th day of June 1927, at the Court House of said County in Cameron at which time all persons interested in said estate are required to appear and contest said application, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at Cameron this 23rd day of May 1927. 4-2tc

Lillian Atkinson, Clerk  
County Court, Milam County, Texas.  
By Meta T. McCown, Deputy.

Jack Hearrell and Pope Sapp saw the ball game in Waco Monday afternoon.

## TO DECORATE GRAVES OF THE WAR DEAD

### LEGION MEN TO VISIT RESTING PLACES IN CEMETERIES OF MILAM

Dotting the cemeteries in Milam County are the graves of 29 known dead from the world war and on Monday May 30 the members of the American Legion following ceremonies here in the district court room will visit these mounds and place flowers and a flag.

This is the annual custom of the Legion men who each year honor those of their comrades who made the supreme sacrifice in the war.

The following list will show the names of the dead, the cemetery in which they are buried and the committeemen from the post who will go to the graves:

Oak Hill—J. C. Tucker, chairman.  
Edwin Hardy  
Lee Thompson  
George Lutner  
St. Monica's—Joe Richter, chairman  
Joe Micek  
Carl Schigut  
Louis L. Heitmann  
Marak—Austin Wokaty, chairman.  
Fred Davis  
Corinth—Louis Larza, chairman  
J. Larza

## Vacation Bible School

Circulars Tuesday made the following announcement for the Vacation Bible School for Cameron:  
Free to all children between ages of 5 and 14; Hours, 8 to 11 a. m.

Opening Day—Wednesday, June 1; Closing Friday June 17.  
All sessions will be held in Ada Henderson School Building.

An efficient faculty will assist those in charge: Mrs. Leland Green, Chairman Vacation Bible School Committee, Mrs. W. O. Triggs, Superintendent. Department Superintendents: Beginners, Miss Sallie Kate McLane; Primary, Mrs. J. P. Love; Junior, Mrs. Wallace Jones; Intermediates, Mrs.

L. J. Power.  
The school course for all departments, will consist of study, hand work and play leading to development of Christian character.  
For further information, call any of above named members of the committee in charge.  
No sessions on Saturday and Sunday.

Miss Ruth Cammer, daughter of Mrs. Cora Cammer and a teacher in the Houston schools, received a painful injury in Galveston Sunday when she broke her collar bone.

A Protection For Your Family and Self

I have taken charge of the Milam Mutual Insurance Association, having purchased it from M. L. Harvey last week. I will be in Cameron in the future attending to the business. This Insurance Association has several classes—A class for you. It has never failed to pay the insured, and will not, if the co-operation and good will that has been exemplified in the past continues, and we see no reason why it should not.

The advantages and protection this Association offers can not be overlooked or confused with other similar companies. The Face Value of the Policy is now \$1,000. A good investment, a protection you can not afford to be without.

Our Office is Open to You at all Times  
Come in to see us.

## ACUTE ATTACKS

Of Indigestion Helped By Black-Draught.

Black-Draught was recommended to Mrs. Reathia Edmondson, of Williamson, N. Car., by her father-in-law. She says:

"Shortly after I became a bride, I had a spell of indigestion, and my father-in-law told me to take a dose of Black-Draught. I had never heard of it before, but I tried it, and got such quick relief. I have turned to it ever since."

"About three years ago, I began having acute attacks of indigestion real frequently. I would feel severe pains through the lower part of my body, and they were accompanied by bad gas pains. I took a systematic course of Black-Draught and soon began to feel better. The acute attacks disappeared."

Try Theford's Black-Draught for Indigestion.

You can get it everywhere.

Theford's  
**BLACK-DRAUGHT**

Purely Vegetable C-40a

## TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft, and luxuriant.

## MEMORIES

Memorial Day each year finds a grateful people ever more eager to pay homage to the dead and the living in whose memory and honor the holiday is set apart. Each year reduces still more the remnant of the great armies that have defended unto death the great principles of American freedom here and in foreign lands. And the shrinking lines touch the heart deeply.

Wars following that of the rebellion have seen to it that for many years to come there will be Memorial Days in America. But even should it be that no future wars should furnish martyrs, the gratitude of the American people to their soldier dead will make perpetual an annual day in which to pay them tribute.

Inspiring as is the procession, eloquent as may be the orator, touching as may be the flowering of veterans' graves, these seem wholly inadequate as honors to the departed and living.

These men fought and died in battle and prison camp not that their sacrifices might be the annual occasion of spectacle and ceremony. Theirs was the nobler mission, a finer purpose. They fought for principal, for an ideal, which they had a right to expect their heirs would hold safe and secure.

Gratitude and appreciation are not always best expressed by lips and gestures. What America owes these warriors is more than the suspension of business one day a year, more than applause and cheers when the flag is carried by, more than pension and bonus, more than spoken and written eulogy.

A greater part of that debt is in firm and fixed resolution to carry forward and upward the ideals for which these men bled and sweat, to make secure the victory they won, to translate into results the nobler purposes that stirred their souls.

## JUNE GRADUATES

June, the month of roses—also the month of brides, sweet girl graduates, and other things that poets rave over and the less poetic rave about in this particular June time, is putting forth the signs and proofs of its presence in the usual fashion, aside from some vagaries in connection with the weather. The surest evidence that June is June, apart from the calendar, is the breaking out of the baccalaureate address and the harvesting of the annual crop of diplomas by the young men and young women who go forth to solve the problems of the world.

June should not be allowed to pass without a tribute to these graduates of the schools and colleges. Bless their hearts, every one of them. They furnish inspiration for the humorous and satiric paragraphs, but their ideals and their enthusiasm serve the country well, even if the harder school of experience into which they are entering is destined to take a lot of the idealism out of them. Some of the latter quality may stick—enough perhaps to make itself felt in the years to come.

There was a time when idealism of the kind that has characterized the baccalaureate sermons of the men of many scholastic degrees and the essays and orations of the budding citizenry since colleges were founded in the country, was considered "academic." But it has come to pass that leaders in government and in the business world are no longer ashamed to urge and strive by precept and action to make ideals operative in statecraft and in commerce and industry. It is the reward, in some measure, that is coming at last to the perseverance of youth through several generations of graduating hope and enthusiasm. The sweet girl graduate, especially whose essay, prettily tied with pink or blue ribbon, had poor chance of burgeoning into deeds, has been constitutionally qualified to make her ideals felt thru the ballot and in places heretofore limited to men.

## THE NEW HOME

Comes Cupid's month, the month of full-blown roses and of marriages.

As the good ship, "June Weddings" sets out for the martial voyage, little Dan Cupid stands

on the quay which the vessel has just left and calls through his friendly trumpet to the coupled passengers: "Look out for pirates."

Plainly visible ahead is a low, rakish craft, its piratical hull menacingly marked "Discord."

We wish not to cast the blight of pessimism upon the hopeful June voyagers. Yet we must say that never was deeply happy and nobly successful marriage so difficult as in these democratic days; because never was human individuality, female and male, so generally awake and conscious and self-insistent.

Which is as it should be. For democracy means the organization of society on the basis of respect for the individual.

Democratic Marriage, too, must be based upon self-respect and mutual respect. It is this demand which instinctively we feel and make but which it is not easy to grant to another, that constitutes the essential difficulty or marriage in our days.

The old type of home, in which woman was the more or less subordinated and even suppressed, however glorified, housekeeper—that type is vanishing.

Obviously it is more difficult to maintain in harmonious relationship two distinct individualities in marriage than it used to be while husband and wife were "one." And the husband—or the wife—the one.

However, it is just such harmonization, in the democratic spirit of fair play, which must go toward the making of the new Home.

And Love remains the great harmonizer who routs the rakish craft "Discord" with the unconquerable wisdom of Concord.

## RESPONSIBILITY UP TO STAGE AND PRESS

There is a wholesome public awakening regarding the destructive effect on the public morals of degeneracy on the stage, in books and in the press.

Those responsible for degrading plays, obscene books and stories of crime, take shelter behind the excuse that they "have to give the people what they want."

Such statements as well as the practices complained of, offend against decency. No thoughtful parent wants the literary sewage of the stage or press to empty into his home.

Those who exercise in their own narrow sphere the authority to determine "what the people want," in many instances fail to discriminate between that which is instructive, purifying and refining and that which degrades.

Whether the remedy be a vigilant and unrelaxed stage and press censorship, or education of the young to avoid such plays and publications as they would avoid a poisonous reptile or plant, is an open question.

Increasing crime units with relaxing morality to emphasize the social danger.

The stage and the press are alike powerful in molding the young mind to discriminate as between wholesome and unwholesome moral standards. Possessing this power, society has an unquestionable right in conserving public welfare to demand and command that its influence shall be exerted, not to debase and destroy, but to purify and sustain; not to induce moral decadence, but to animate and buttress social righteousness.

## FLOOD CONTROL—A RADICAL SUGGESTION

"With the widespread ruin and destruction, loss of life and loss of property wrought by the floods from the Mississippi, there is every likelihood that the matter of flood control will have the attention it demands when the next Congress convenes in December," says Walter Scott Meriwether, Editor and Publisher, Mississippi Sun, Charleston, Mississippi.

"And we hope that Congress will consider this:

"The Mississippi and other waterways of this nation are under the jurisdiction of the War Department, and the levees are under supervision of Army engineers.

"Why under their supervision?

"This work is non-military. No stretch of imagination can connect inland waterways with the problem of national defense. As these waterways are arteries of commerce, why should they not be under the control of the Department of Commerce?

"That very efficient department under the control of its very efficient head, Secretary Hoover, himself one of the foremost engineers of the country, could undoubtedly mobilize engineering skill far superior in this line to any the Army can furnish, for by the very nature of their calling, Army engineers cannot be considered experts in this work.

"Inland waterways should be for the efficient handling of commerce, and as such should be under the jurisdiction of the Department of Commerce. As for the protection of harbors, that is for the Army and Navy."

In the foregoing editorial, Editor Meriwether brings up a vital point for consideration. Flood control is a proper function of government just as is the deepening of rivers and harbors, the erection of fortifications, the maintenance of courts, the building of highways and the police power lodged in government for the protection of all the people. Time and again the people of this nation have seen so-called political blocs and special interests attempt to enlarge the real functions of government to include the operation or control of purely commercial enterprises.

Government has all it can do to give the people protection and equal opportunity, without entering the field of private endeavor in competition with its citizens and taxpayers.

The Mississippi catastrophe should prove to the people as well as to lawmakers that flood control is a vital function of government. It should not be made a plaything of politics, and used as a lever to launch the government upon purely industrial enterprises which are not for the common safety or benefit of all the people in like measure.

## CLYDE SHIPP, 40, IS BURIED IN TEMPLE

CAMERON RESIDENT AND NATIVE OF BELL COUNTY MOURNED BY MANY

Clyde Shipp, 40, died at 7 o'clock Monday afternoon at his home here after an illness of five weeks.

The funeral services were held at 2:00 p. m., Tuesday afternoon at the First Methodist church, Rev. L. J. Power officiating. The body was taken to Temple by C. N. Green and Bros. undertakers, for burial. Interment was held in Hillcrest Cemetery. A very large concourse of relatives and friends assembled for the services and to pay a tribute of love and sympathy to the bereaved wife and little daughter, in the loss of their companion and father.

Mr. Shipp's condition had been serious for several weeks, but seemingly there was a slight improvement a few hours before the end came. At intervals he rallied and talked briefly with friends, and sometimes immediately after speaking he would be in a state of coma. His twin brother, Claude Shipp of Burnett was in constant attendance at his bedside during the last two weeks of illness. To the end he was thoughtful of his faithful wife and little daughter and friends as they ministered to him, waving aside his suffering and with patience continued to the end solicitous about the welfare of others.

Mr. Shipp was a member of the Methodist church. He was widely and favorably known, always proved a true friend and manifested great interest in the welfare of the community.

Clyde Shipp was born near Temple in Bell County in February 1887. He married Miss Alma Vought of Rogers and to them two children, a boy and girl, were born. He resided in Rogers until two years ago he moved to Cameron and was a valuable employee of the Cameron Fruit Company.

His casket was of grey embossed velvet with soft frills and draperies of the same tint.

He is survived by his widow, Mrs. Clyde Shipp, one daughter, Miss Gwayne Shipp; one son, Clyde Jr., with the United States Marines in Shanghai, China; three sisters, Mrs. Luther Moore and Mrs. W. F. Etter, Rogers; Mrs. Tom Shelley of Houston; three brothers, Claude Shipp, Burnett; Will Shipp, Belton and Todd Shipp of Temple.

Pall-bearers were Q. H. Wright, J. T. Bean and R. E. Guess of Rogers; A. E. Schiller, Conn Moody and M. C. Fox of Cameron.

## Visits Old Home

Mr. and Mrs. M. J. Wheatley of Port Arthur and mother, Mrs. Minerva J. Wheatley and J. W. Wheatley were in Cameron this week to attend the funeral of their father, G. W. Wheatley, 72, who died at Port Arthur Sunday and was buried Wednesday in Lilac Cemetery.

The Wheatley family resided in the Lilac community for 30 years. M. J. Wheatley has been in Port Arthur for 12 years. He is an operator at the gas plant of one of the large oil companies.

J. W. Wheatley is also with one of the oil companies there. Mr. and Mrs. G. W. Wheatley, parents, went to Port Arthur two years ago to live with their son.

M. J. Wheatley operates a dairy farm there in addition to his work with the oil company.

Mrs. W. T. Walker of Lubbock, sister, also attended the funeral.

Their many friends here will be interested in their success in their home at Port Arthur. M. J. Wheatley while here ordered the Herald to his address there for a year.

## H. D. and 4-H Club

The Jones Prairie H. D. Club and Girl's 4-H Club met together Monday May 23 in the home of Mrs. Joe Anderson. There were eleven ladies, and nine girls present. A number of cans of beans were canned by use of the steam pressure cooker and sealer. This was a helpful demonstration for all.

The committee that was appointed last meeting to locate a meeting place made a very favorable report. We have a place to meet. It is at the Mexican school house and will be our next meeting place on June 13.

Each lady of the club was assessed twenty five cents which will be used to get utensils to use in our cooking demonstrations. Please let's all be present at the next meeting so we can get started in our new club house and learn lots of things. Jelly making will be the subject of this meeting. The girls are also supposed to meet with the ladies, all of them be present. Reporter.

## RULES GOVERNING IN HOME BEAUTIFUL TEST

ENTRANTS ASKED TO TELEPHONE R. P. JETER AT 16 FOR PART IN CONTEST

Rules governing the Home Beautiful Contest sponsored by the Lions club as an annual civic program for Cameron have been announced by R. P. Jeter in charge of the contest.

Prizes amounting to \$200.00 have been pledged to be awarded to the Home Owners and Home Renters in Cameron.

The judging will be done in the fourth week in June beginning June 19th.

Those who wish to enter the contest will please telephone No. 16 and register their names as they will be assigned in the order in which they are received.

The Home Beautiful Contest is a worthy civic endeavor and the prizes are unusually good, the first prize being \$50 in cash for home owners and for home renters \$25 in cash.

Rules governing "Home Beautiful" contest are as follows:

For the Home Owners: Houses and all buildings, fences, etc., well painted.

Yards and lawns well kept, clean and orderly.

Walks, whether cement or gravel, in good condition and clean.

Gutters clean of litter, leaves and trash.

Trees, if any, properly pruned and symmetrical.

Shrubbery well placed and ornamental.

Flower beds well kept, flowers and vines thrifty and blooming, well placed and artistically arranged, and trained on trellises, lattice, frames, pergolas, etc.

A general artistic, neat and attractive whole to be considered more than any one or more items.

For those renting their premises: Same as for home owners, except:

That painting will not be judged against them, although the renter whose premises present an attractive appearance, aside from painting, will be judged as a higher class if the house and buildings are well painted.

Kinds of flowers, not arrangement of them, will be considered as of themselves, but as they contribute to the beauty and orderliness and artistic fitness of the whole premises.

Back yards will be judged as well as front and side yards.

## List Of Prizes For Home Beautiful Test

(continued from page one)

\$18.50; 3rd prize, Blue Grass Lawn Mower, donated by Milam County Hardware Company, value \$17.50; 4th prize, 3 gallons Sherwin-Williams paint, any color, donated by Geo. A. Thomas and Sons, value \$12.00; 5th prize, 2 gallons Ruchter's Paste Paint donated by Grant Lumber Company, value \$9.50.

In the second class, "Home Renters" are five prizes as follows:

1st prize, cash donated by subscription, \$25.00; 2nd prize, choice of porch swing or settee, donated by Cameron Furniture Company, value \$18.50; 3rd prize, 2 porch chairs, choice of rocker or straight, donated by C. N. Green & Bros., value \$15.00; 4th prize, 50 feet hose and spray, donated by A. J. Matocha and Company, value \$8.00; 5th prize, 5 gallons Linseed Oil, donated by New Cameron Drug Company, value \$7.50.

In the third class, "Negroes," are three prizes as follows:

1st prize, cash donated by subscription \$10.00; 2nd prize, 1 screen door and fixtures, donated by Milam County Lumber Company, value \$4.50; 3rd prize, 1 screen door donated by Milam County Lumber Company, value \$4.00. Total value of all prizes, \$200.00.

Judging will be done in the fourth week of June, which week begins June 19th.

## District Court

State of Texas vs. W. L. Peterson, charged with burglary, five years suspended sentence.

State of Texas vs. Guy Hill, charged with driving auto while intoxicated, fined \$50 and costs.

State vs. Kemble Majors, charged with driving auto while intoxicated, given eighteen months suspended sentence.

State vs. Frank Duda, charged with possessing equipment to manufacture liquor. Sentenced one year in the state penitentiary.

State vs. Anton Rozner, charged with manufacturing intoxicating liquor and possessing equipment, sentenced to three years in the penitentiary.

Your June account appreciated at McLane and McLane's.

Dr. and Mrs. Tom Lutner and children of Lawton, Oklahoma, who have been visiting in the home of his mother, for the past week returned to their home Thursday, accompanied by his mother, Mrs. Lutner and sister, Mrs. Eugenia Allen.

Mr. and Mrs. J. H. Garrett will begin their work in Vernon June 1st. Mr. Garrett will be Educational Director of the First Baptist church at that place.

Your June account appreciated at McLane and McLane's.

Mrs. T. S. Henderson has returned from Houston where she has been under treatment in a hospital for several weeks.

In wealth per capita, Canada is surpassed only by Great Britain and the United States.

The German postoffice department in addition to carrying mail, serves as a bill collector, banker and subscription agent for newspapers, magazines and books. Not satisfied with these multiple activities, it also operates sight seeing and regular passenger buses in regions where other transportation is inadequate.

Dr. and Mrs. Emil Klatt arrived last Thursday for a visit with his parents, Mr. and Mrs. J. F. Guggolz. They returned to Galveston Saturday morning where Dr. Klatt will finish his interne before returning to Cameron where they will make their home.

### EPISCOPAL CHURCH

Sunday, May 29th

Morning Prayer at 11 o'clock, Sunday School at 9:45 a. m., Young People's Service League, 1:30 p. m. You are invited to worship with us.

### Club Scores Fake Advertising Stunts

Fake advertising stunts and all publicity where merchants do not get the full benefit either in price or results were roundly denounced at the commercial club meeting Monday night.

Attention was called to a recent scheme here in which strangers sold merchants advertising on fans to be printed then left the city without furnishing the fans to the printer.

The club is inclined to protect local printing plants and urge the merchants to refrain from all schemes presented by strangers without consent of the censorship committee of which Giles L. Avriett is chairman. Mr. Avriett led the discussion against the fakers preying on the merchants.

The club has under advisement the proposition of natural gas for Cameron but the report is not complete.

### Car Stolen, Placed On Tracks And Is Completely Wrecked

A Ford Car, said to belong to Bud Robinson of Buckholts, is believed to have been stolen Saturday night and placed on the Santa Fe tracks at the Zellner crossing and abandoned. One of the south bound trains struck it taking the car one hundred and twenty yards down the track completely wrecking it before the train was brought to a stop.

A man living near Buckholts, is being held in connection with the case.

### Visits Old Home

Mr. and Mrs. Herbert Maddox spent the past week with his parents, Mr. and Mrs. Nolan Maddox. They were accompanied by his friend, Tom Campbell, manager of the Colonial Hotel in New York City, and his wife and five year old son, Louis.

Herbert has spent almost the entire twenty years with the exception of a few years he served in the World War, very much. While here he visited relatives in Thorndale, Taylor, Temple and Waco.

Among the many pleasant entertainments honoring him was a delightful picnic at Wayside Inn and thru the many courtesies of Elwood Cammer, it was indeed a treat for them.

The lunch consisted of fried chicken, ham sandwiches, barbecue, tomatoes, pickles, potato chips, cake and ice cream.

Dinners were given by Mr. and Mrs. R. S. Harris Tuesday evening and Mr. and Mrs. Joe Casey Wednesday evening in their rhomes in honor of Mr. and Mrs. Maddox and were enjoyed by all the relatives.

The farewell dinner Sunday in the home of his parents, Mr. and Mrs. H. N. Maddox was an occasion long to be remembered.

Mr. and Mrs. Maddox stopped over in Austin and San Antonio for a short

visit with relatives and from there they went to Los Angeles, California for a short stay before returning to their home in New York.

### Baptist S. S. Picnic

(A Correction)

The Baptist Sunday School will have a picnic at the Tourist Park Friday, May 27th instead of Thursday as appeared in the Messenger this week. An old fashioned spread and a good time will be enjoyed.

Those desiring to ride out to the park with the crowd must be at the church promptly at 4:30. There will be plenty of drinks provided for the

Miss Evelyn Lippman of Dallas arrived this week for a visit with her brother, Henry Lippman.

### Birthday Party

Mrs. Gus Evans surprised her daughter, Miss Inez Evans, with a delightful dinner, Wednesday, May 25, to which she invited friends. During the morning the girls got together as they often do and when the noon hour approached they all went home with Inez. By this time the thoughtful hostess had perfected all plans and a sumptuous dinner was spread. Each guest had brought a gift and these were placed at the honoree's plate.

The whole affair was a complete surprise to Inez, and amid exclamations of joy she expressed her appreciation in her usual sweet manner for the glorious surprise that had been planned for her.

The wedding anniversary of Mr. and Mrs. Evans is also on May 25.

Those enjoying this delightful occasion were: Misses Helen Blaylock, Dora Emily Moore, Florence Atkinson and Gladys Davis and the honoree Inez Evans.

### Card Of Thanks

We sincerely appreciate the many kind acts and words of sympathy extended to us during the illness and death of our beloved husband and father, Clyde Shipp. We take this method of extending our heartfelt thanks. May God's richest blessings abide with each of those who came to us in this sad hour. We especially thank those who gave flowers and those who assisted us in any way.

Mrs. Clyde Shipp and children.

### STEVE GARDNER'S HOKUM KINGS AT WAYSIDE FRIDAY

E. C. Cammer, manager of Wayside Inn, is bringing Steve Gardner and his Hokum Kings to Wayside for the dance Friday night. This orchestra is the most popular orchestra at the University of Texas and Mr. Cammer is to be congratulated on bringing this orchestra here. If you like to dance and like real dance music come out Friday night and enjoy yourself. J. D. Lewis will play for the regular Saturday night dance.

### Colored School In Closing Exercises

The Colored School will close a successful term Friday with O. J. Thomas as principal. He has made a good record and the school has progressed nicely under his supervision.

The graduating class consists of ten girls: Bernice Young, Cecile Kelly, Eddie Molden, Sammie Lee Allen, Lillian Curtis, Robbie Nelson, Reddie Nelson, Kahaless Caldwell, Senzeta Bush and Willia Brown.

W. H. Burnett, principal of Terrell colored school, will deliver the graduating address. He is a very interesting speaker. The exercises will be at Cameron Grove Baptist church at 8 o'clock.

O. J. Thomas, in behalf of the colored school, invites their white friends to be present. Reserved seats will be arranged for them. He also extends thanks in behalf of the school to the school board and the entire citizenship for their hearty support in putting over a very successful school year's work and for the re-election of the staff of teachers for another year.

### Buckholts School

Graduation exercises for the 7th and 10th grades of the Buckholts public school were held Monday night, May 23 with District Attorney Jack Lewis delivering an inspirational address to the young graduates.

The following program was rendered:

Processional, Miss Gladys Harris. Invocation, Rev. J. R. Ritchie. Salutatory, Edna Zelisko. Piano Solo, J. D. Lewis. Class History, Waymond Gresak. Class Prophecy, Leon Lewis. Valedictory, Erna Bauch. Address, Hon. Jack Lewis. Awarding Scholarships, J. Frank Cook.

Presentation of Diplomas, Mrs. K. K. Robbins. Benediction, Rev. J. B. Gregory.

### Children Cry for Fletcher's

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. J. C. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

## In the Interest of Manhood Back the Boy Scouts

The time to develop manhood is while it is yet in boyhood.

Look to the boy and you won't have to worry about the man, is a truth that needs no proof.

Every red-blooded citizen is interested in boys—for the sake of the boys and for the sake of the country.

The Boy Scouts is engaged in making good men by making good boys.

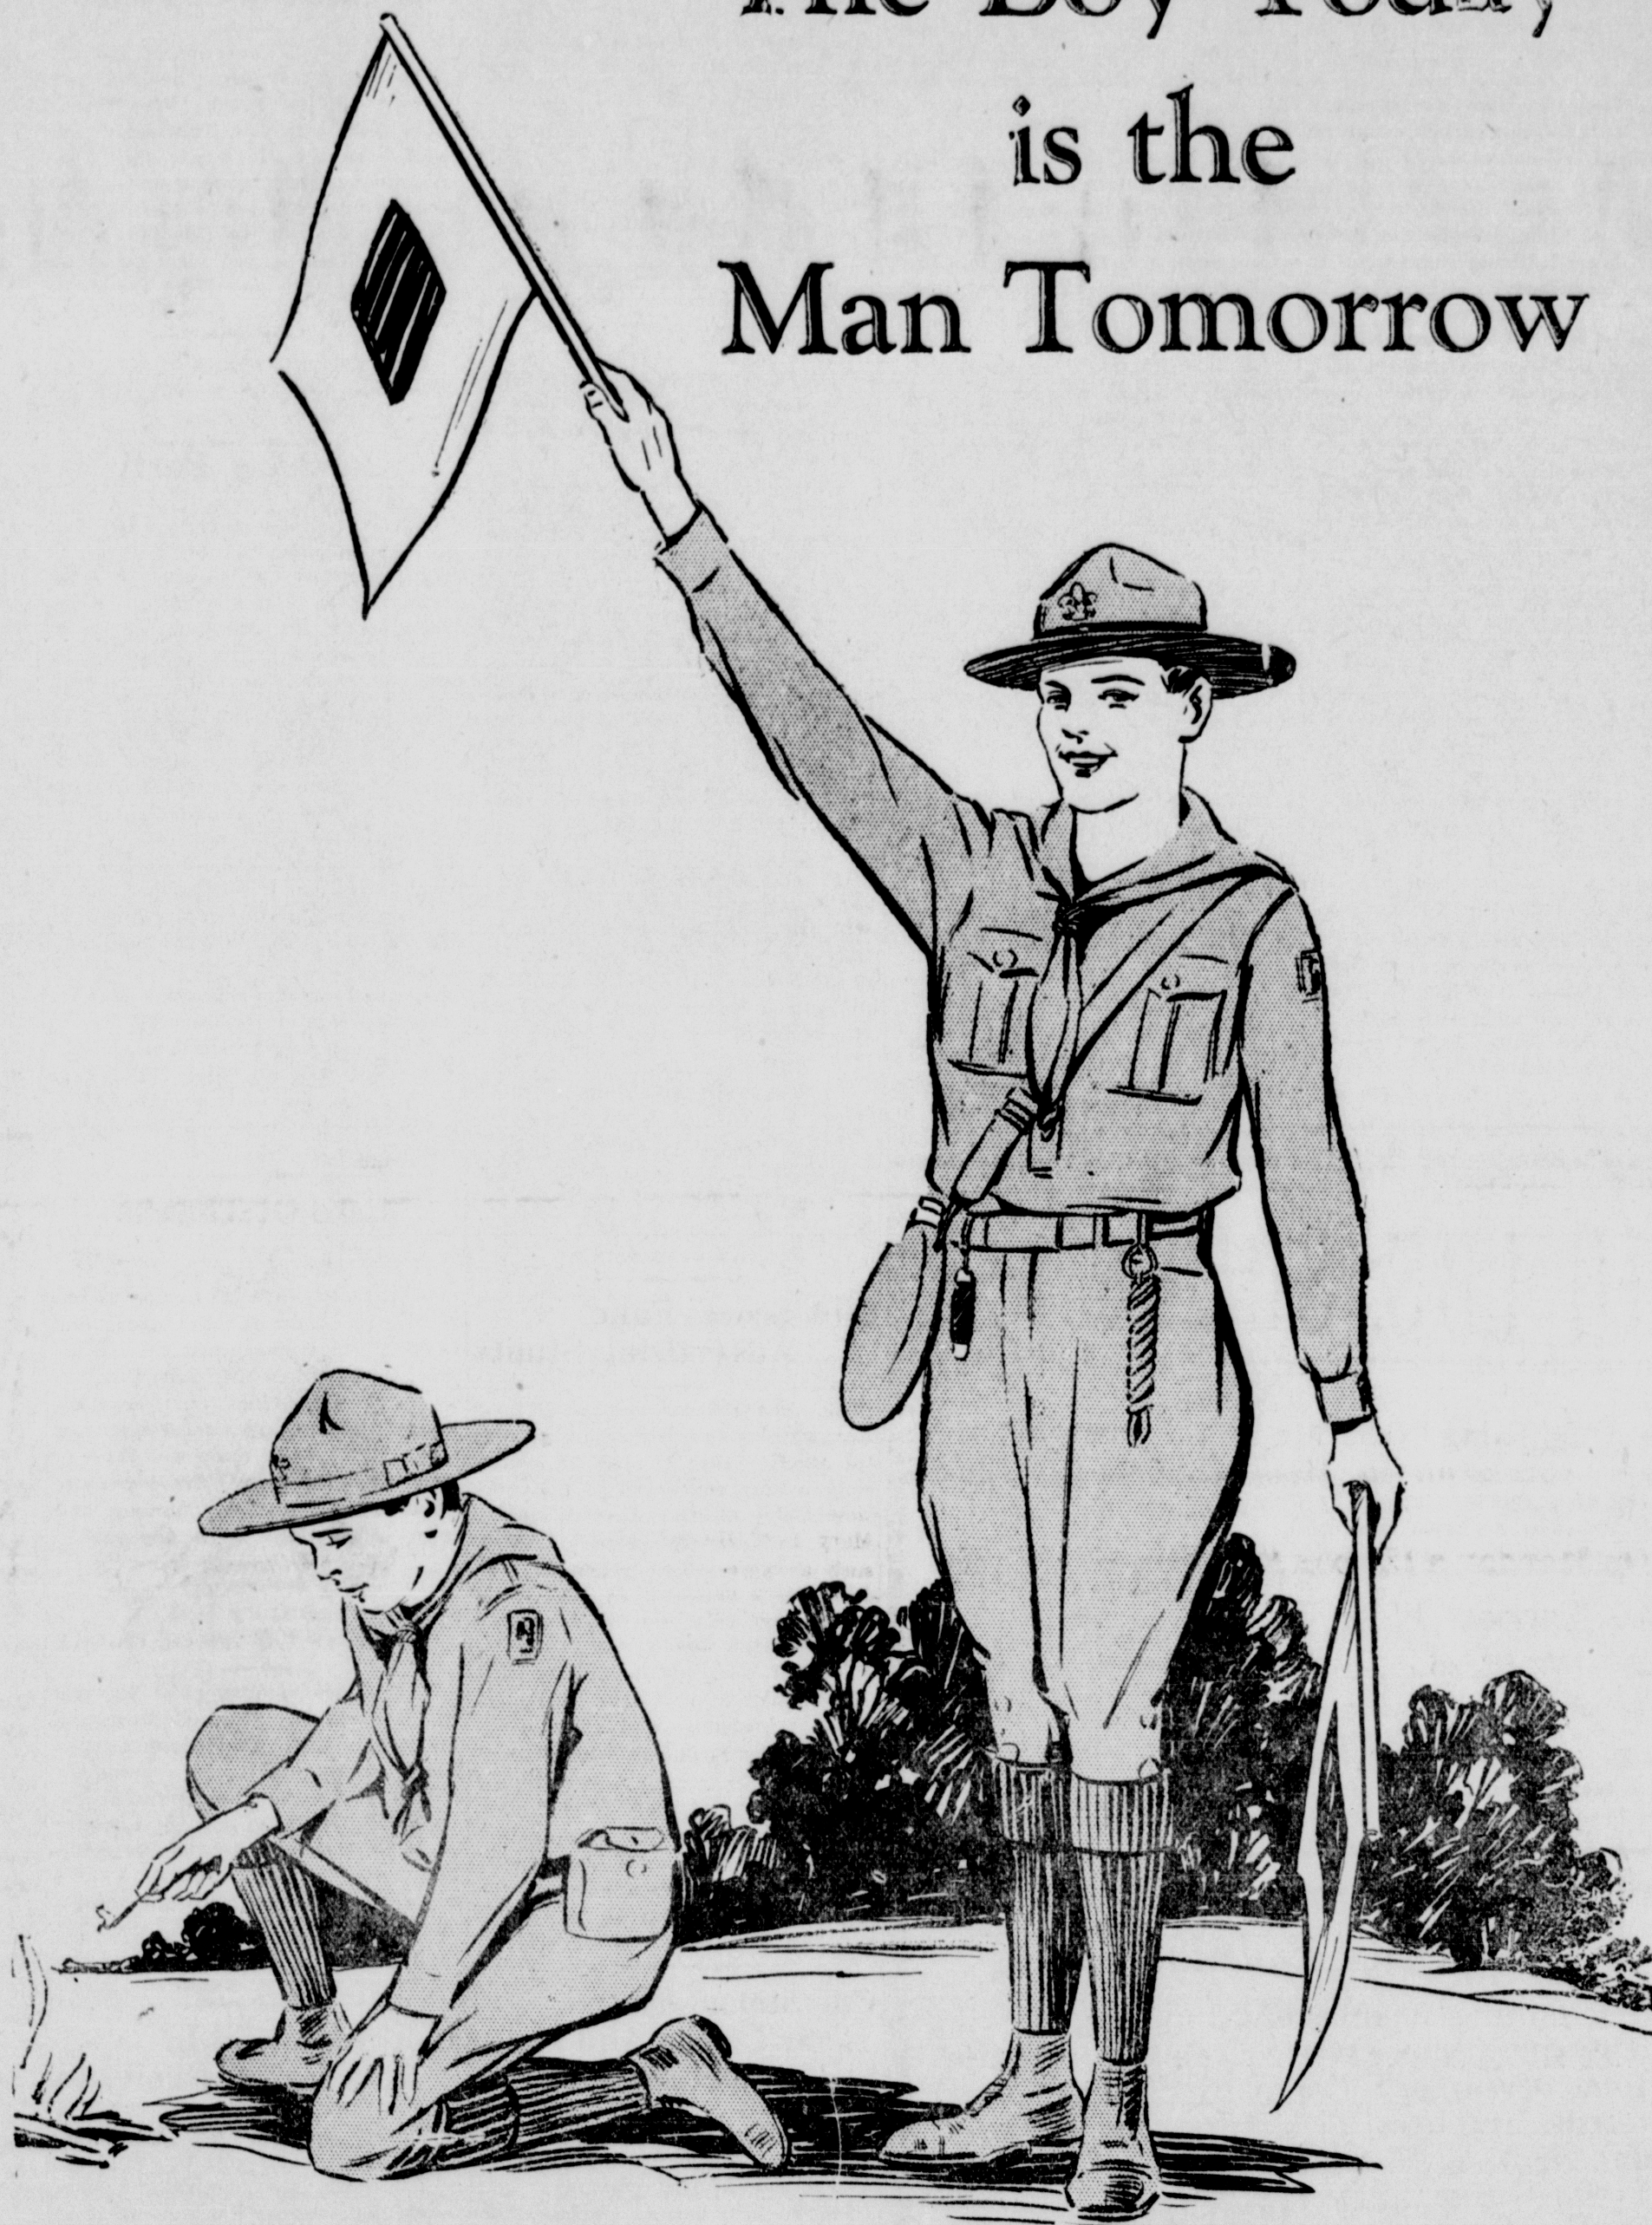

The Boy Scout is taught to do right for the sake of right. He is made to see life as an opportunity to serve.

He is made a MAN!

You owe to yourself as a man and a citizen interested in our country, to actively encourage and support the Boy Scouts organization.

Your good wishes aren't enough in the time of war.

You must do it in deeds!

### "INVEST IN BOYHOOD TO BUILD MANHOOD"

That the Boyhood of Cameron might have the advantages of clean living such as the Boy Scouts organization affords the churches of the city are sponsoring three troops of the Scouts each with a Scoutmaster and one assistant. The churches feel that this effort will meet with ready response from the people of Cameron who as all types of right thinking citizenships must do, will endorse wholeheartedly and encourage in every way the movement among the boys. In order to make the movement succeed the Scoutmasters and the Council must have the undivided support of the people at large. Getting that co-operation will mean success and will provide for the boyhood of Cameron a safe and sane program of expansion, of teaching and learning.

This is not a canvass for funds or a drive for pledges but an announcement given solely to further the interests of the Boy Scouts in Cameron. To encourage them and to proclaim to the world that Cameron believes in the Boyhood of our town. We the undersigned respectfully dedicate this page.

## \$30,000 IN CASH FOR COCA COLA CONTEST

LOCAL BOTTLING COMPANY OFFERS BIG OPPORTUNITY WITH COCO COLA

\$30,000 in cash prizes are being offered by the Coca Cola Company of Atlanta, Georgia and the Coca Cola Bottling Company, Akers Brothers, proprietors, Cameron, Texas are running in this issue of The Herald a large display announcement giving all information regarding the great cash prize offer.

The Akers Brothers are progressive bottlers and have a product, Coca Cola, that is by far the most popular American beverage.

It will be of interest to the people of Cameron and Milam County to read this announcement and to see the plan of this great offer.

The six keys referred to in this contest are named for the great and distinct qualities of Coca Cola as a drink. The advertisement names the first key. It is "Taste." The succeeding advertisements will afford opportunity to find and name other keys.

The National Coca Cola Company co-operating with the local bottlers are very anxious to get a large response from the people of Cameron and Milam County on this contest.

It will be an interesting engagement for you and it will cost you nothing. Simply write your answers in accordance with the advertisement and mail to the Coca Cola Company at Atlanta.

Also telephone or write the local company about your entry and tell them what you think of Coca Cola.

Remember the first prize is \$10,000 in cash. You may win this or any of the succeeding large prizes. Read the big advertisement in The Herald this week.

## Yoe High History Club Visits Austin

Last Thursday afternoon at 1:30 the Yoe High History Club left Cameron to go on an overnight trip to Austin. A good time was had and no misfortunes occurred.

We arrived in Austin at 5 o'clock and went immediately to the hotel; from there to the old state cemetery where we saw the tomb of Albert Sidney Johnston, with his statue reclining on his tomb, made by Madame Ney, famous sculptress of Austin. We also saw the statue of Stephen F. Austin and the maker of the first Texas flag. We got a view of St. Edward's Academy in the distance. After looking at the other graves, we returned to the hotel to refresh ourselves before the banquet.

At the banquet we had as honor guests Hon. and Mrs. Sam Hefley, Judge Ed R. Sinks, Adrian Pool, Mr. and Mrs. Howard Wells and Mr. and Mrs. Boyd Wells, Mrs. Hugo Slaughter and Mrs. Floris Criswell. Dorothy Denson was our toastmistress and each guest made an interesting talk. Friday morning we were up at six o'clock and off on a ride to the Dam on the Colorado. This gave us a keen appetite for breakfast which we got where we chose. After breakfast we went to the Capital, first going to the Senate where an old man gave us an interesting account of the Battle of the Alamo, and the Battle of San Jacinto as portrayed in the famous pictures there. We went through the different committee rooms, with Honorable Sam Hefley and Howard Wells acting as guides, and then to the Legislature. There we learned the system of voting and how it was recorded. We met many legislators, some of whom were our friends of the night before. We stayed only long enough to see them answer roll call and to hear a part of the Appropriation bill now up. We left to climb the many steps to the

top of the dome but were repaid by the splendid view we obtained of Austin. Gaining lower level we continued our sight seeing in all the different offices and rooms. Some of the most interesting were the Governor's reception rooms and office. In the reception rooms we were told all about the furniture, draperies and the big mirror which is one of the six perfect mirrors. The furniture was made of mesquite wood by the prisoners in the penitentiary and the draperies had been made by Persian women. Everything was very beautiful. In the governor's office we saw the Bible which Pat Neff left. On the first floor was the famous bronze statue of some of Texas' famous men and also the statues of Stephen F. Austin and Sam Houston made by Madame Ney. These are a copy of those in the Capital at Washington.

For lunch we drove to the Cactus Tea Room and there we had as our honor guests Drs. Webb, Ramsdell and Barker of the University of Texas. We enjoyed their talks very much, especially Dr. Barker's on "Stephen F. Austin."

After lunch we went to the main building of the University and beginning at the art department made our way down. We went through Garrison Hall, spending most of our time looking at the carvings on the outside. Then we visited the Wren Library where we were shown the original manuscripts of Tennyson, Dickens and many other authors; books that were written during the 16th and 17th centuries; also we were told about the ceiling on which was carving to represent every age. The windows also had the coat of arms of the large universities in the United States. From there we went to the Garcia Library which proved to be the most interesting. We were shown copies of original writings of Popes and of many high men. We were also shown some of the books, beautifully bound but very old, written by the ancient Spaniards. The bindings of the invitations of graduating exercises in Mexico were very beautiful. We also saw a beautiful picture writing book which was used by the Indians in Mexico. We went to the reading room and were shown through the many rooms of books which amounted to from ten to eleven thousand books and occupied seven floors.

After a brief call at the Women's Building where we saw two Cameron girls, Mary Virginia Atkinson and Kathryn Robbins, we drove back to the Hotel. We left Austin about five o'clock, each declaring a wonderful time and thanking our sponsor, Miss Mary Lake Henderson, for planning such an enjoyable trip for us. We drove home slowly, thus resting and thinking of our trip.

Those making the Austin pilgrimage were:

Dorothy Denson, Florence Atkinson, Nancy Ree Slocomb, Margaret McCown, Ethel Vaughan, Bonnelle Neinst, Hortense Klawansky, Frances Sharpe, Ethel Green, Geraldine Slaughter, Gladys Davis, Ala Rae Belt, Frances Looney, Edwin Crowell, Gene Crowell, Jack Walker, Charles Kelso, George Moore, Mrs. Hugo Slaughter, Mrs. Sam Hefley, Mrs. A. N. Green, Mrs. Floris Criswell and Miss Mary Lake Henderson.

Member of the Club.

## NOTICE IN PROBATE

The State of Texas  
To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas  
To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are required to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON,  
Clerk, County Court, Milam Co., Tex.

## Texas Tech Is New Attraction For Textile Mills

A new factor to interest the textile industry in Texas has been produced by the State's newest addition to its higher education facilities—Texas Technological College. Although only in its second year, its student body of more than 1,500, many of whom already know cotton from the seed to the bale, is learning cotton from the opening of the bale to the finished bolt of cloth. Graduates from this school are destined to become leaders in the growing textile industry of the State.

Texas Tech has been fortunate in having the interest of the entire State behind it. Originally planned as a West Texas college following years of insistence from citizens of that part of the State for a technical educational institution, Texas Tech was founded on a broader plane as an all-Texas undertaking and is drawing its students from all sections of the State.

John W. Carpenter, vice-president and general manager of the Texas Power and Light Company, is a member of the original board of regents appointed for the school by Governor Neff, and has taken more than an ordinary interest in the institution, particularly the department of textile engineering. Mr. Carpenter has been actively engaged in spreading information about the possibilities for textile development in Texas and has visited many textile mills in the Southeastern States and New England to secure ideas for the development of similar mills in his State. He also founded the John W. Carpenter scholarship, which provides a sum annually for the student who makes the highest record in textile engineering. On his appointment to the board of regents, Mr. Carpenter, with Dr. P. W. Horn, president of the college, and others interested in the new institution, visited the principal textile schools of the East and appropriated the best ideas they found for the Texas school.

Through the efforts of Mr. Carpenter and Col. F. P. Holland of Farm & Ranch, a forty-eight-page booklet, describing the Texas Technological College and entitled "Textiles and the New Generation," was printed recently. This booklet tells of the history of the college, its progress and its aims. Ten thousand copies were sent out by the college to Texas citizens and prospective students, and also to textile mill owners in America, England and Japan.

## T. P. L. Starts 1927 Campaign To Bring Mills To Texas

WALDO C. COLE

Waldo C. Cole, industrial commissioner of the Texas Power and Light Company, has been sent to Boston and other New England cities in an effort to bring a number of textile industries to Texas. John W. Carpenter, vice-president and general manager of the Texas Power and Light Company, announced recently. Mr. Cole will remain in the East at least six months, acquainting capitalists and textile mill owners with the possibilities in Texas.

The Texas Power and Light Company has inaugurated a year's advertising campaign in national textile and manufacturing magazines, to be devoted to spreading information about the industrial possibilities of Texas in the textile industry.

Mr. Carpenter, himself a native Texan, has devoted much of his time the last five years to trips through Northern and Eastern States to confer with capitalists interested in the textile industry and bring back ideas that would be helpful in the industrialization of his State. Several of the newer textile mills are now operating in Texas as the result of Mr. Carpenter's efforts.

Mr. Cole was reared in the cotton mill sections of the Carolinas, where he received much of his practical training. Until a few years ago he was in charge of one of the largest textile mills in Mexico.

Before leaving for New England, Mr. Cole made extensive trips through Texas, conferring with Texas mill owners, studying the growth of these mills and gathering detailed information and samples of the goods to use in presenting the case of Texas.

One of the newest advantages of Texas for textile mills which Mr. Cole will present during his stay in the East will be information about Texas Technological College at Lubbock, which has become one of the ranking textile institutions in the South, although only in its second year.

## Stop That Itching

Use Blue Star Soap to clean the affected parts, then apply Blue Star Remedy. It penetrates the skin, kills the germs, stops the itching at once, and restores most cases to a healthy condition. Eczema, Tetter or Cracked Hands, Poison Oak, Ringworm, Sore Blistered Feet, Sunburns, Old Shin Sore—all of these have yielded to its wonderful healing power. 60c and \$1.00 a Jar. Soap 25c. Manufactured by Star Products Co., Cameron, Texas.

## Missionary Society

The Methodist Missionary Society met at the church Monday afternoon for bible study. The lesson for discussion was the first chapter of the book, "Life and Letters of Paul," and was ably led by Mrs. W. O. Triggs. Next Monday afternoon the meeting will be held at the church for a business meeting.

Miss Bess Du Bois is expected home Saturday from Sherman where she has had a very successful year as teacher in the Sherman schools.

Arthur McLean of Rogers was in Cameron Monday.

# WALDEN'S Big Summer School CUTS THE COST

PUTS YOU ON PAYROLL IN SEPTEMBER

OPENS MONDAY JUNE 6

You are offered, at home, a \$500 Education for \$60 cash, or \$30, \$20 and \$16 in monthly installments. Day Class.

Day and Night Classes 5 Times a Week  
Special Night Courses—Shorthand or Bookkeeping and Typewriting, cash \$40.00

Installments of \$20, \$15 and \$10 Monthly Payments

Salesmanship, Personal Efficiency, cash \$25.00

Typewriting, Secretarial Training \$25.00

Show Card Writing and Penmanship \$25.00

Civil Service Courses, any Department \$25.00

Penmanship, letter writing, business forms \$25.00

A course to suit your special needs \$25.00

Installments of \$14, \$9 and \$7 Monthly Payments

Which Will You Sell—Muscle or Brains?

One is \$1 to \$2 per day—while the other can easily bring \$2,500 and up, if you will master the courses mentioned.

You probably would spend several times the cost of these courses and squander your leisure hours, within the time it would take you to complete them, and thus be prepared to earn \$1200; \$1500; \$2500 to \$3000 and up per year.

\$1,800.00 SALARY \$1,800.00.

Dear Mr. Walden:

I am getting on fine, salary \$1800 per year, thanks to your superior training. No better courses than yours, at any price.

E. O. Perkins, Stenographer Texas Co., Port Arthur, Texas.

Dear Mr. Walden:

From \$6 a week to \$100 a month, in three months in your night school, was the result of your training.

(Miss) Nora Dunn, Alexandria, La.

Salary \$3000: "I cannot forget what you did for me. I was one of your first scholars at Lake Charles and the training you gave me has enabled me to grow to a \$3,000 per year salary, and without the help you gave me I could never have accomplished this."

A. H. Daigle, Beaumont, Texas.

Make Yourself Safe—Be A Climber.

A capable stenographer, bookkeeper or salesman is safe against drudgery and want. Only few dollars, determination and perseverance stands between you and these safeguards—these money making and success building courses. Parents make your girls and boys safe.

A Position In September.

Walden's "Short and Easy Way" is the individual method of teaching, what the auto is to the ox cart, the electric light to the tallow candle, the telephone to the personal messenger.

When you enroll for a course in Walden's Business College you are getting into the automobile of prosperity. Your journey will be easy and rapid to that desired position, greater prosperity and future promotions. Why not begin that journey now.

I Wish—I Can—I Will—Spells Success.

Old "Put it off" and "It can't be done" have done more to cause failure, discourage ambition and interfere with success than all other forces put together.

Every day you procrastinate, wait and put off entering this school delays the ultimate success that is yours for the taking.

Save \$9 Out Of Every \$10.

By grasping this marvelous opportunity, Prosperity will be in full swing by September. Stenographers, bookkeepers and office helpers will be in demand. Get ready. Study, not "Lack" or "Pull" brings Success.

Yes, Success is in you, let us help you bring it out. Filling out and mailing Coupon is the first step, do that today.

Walden Will Get You Ready.

For a better position by September, if you do your part. But you must act now. Call at once.

### Find six keys to the popularity of Coca-Cola

#### Here's how to find them

As a result of a national survey, through thousands of personal interviews, the public has given us six outstanding reasons why everybody likes Coca-Cola.

We have named them "six keys to the popularity of Coca-Cola." And they will be illustrated and presented in Coca-Cola advertising during the next three months—in magazines—in outdoor signs and posters—in the show windows and at the stores and stands of the many thousands of places that serve Coca-Cola.

To show you how to look for the "six keys" we'll point out the first one—presented in the illustration and the copy at the right. The "key" is "taste." The other five will be just as easy to find, if you keep your eyes open to Coca-Cola advertising during the next three months.

#### And where to find them

The "six keys to the popularity of Coca-Cola" will be illustrated and presented in the following weeklies on the following dates—one key to each advertisement:

**The Saturday Evening Post**—May 7, June 4, June 18, July 2, July 16, August 6. **Literary Digest**—May 14, June 11, June 25, July 9, July 23, August 13. **Liberty**—May 14, June 11, June 25, July 9, July 23, August 13. **Collier's Weekly**—May 21, June 4, June 18, July 2, July 16, August 6. **Life**—May 5, June 9, June 23, July 7, July 21, August 4.

See question No. 3, at the right. To answer it keep your eyes open for the following Coca-Cola advertisements.

**Posters**—60,000 in 5,000 communities. **Painted Walls and Bulletins**—20,000 throughout the country. **Show Window Displays, Soda Fountain and Refreshment Stand Decorations**—at more than 415,000 places where Coca-Cola is served. **Little Red Coca-Cola Signs**—hundreds of thousands dot the streets and corners everywhere.

### UNANIMOUS!

#### The choice of Good Taste

The taste you can't resist, bringing that delightful after sense of refreshment. Not from the fruit of one vine or tree but a perfect blend with a charm, a taste all its own.

SEE HOW SIMPLE IT IS THE FIRST KEY, "TASTE," IS GIVEN IN THIS ADVERTISEMENT

### Just three things to do to enter this \$30,000 cash prize contest

1. Find and write down the "six keys" and tell where you found each one. (See rule 3.)
2. Pick out the one key that appeals to you most and tell in one paragraph why it is a good reason for the popularity of Coca-Cola.
3. Then write an answer (in one paragraph) to this question:

Other than magazine and newspaper ad-

vertisements, what Coca-Cola advertisement (a wall, poster, red sign or any one of the various pieces used to decorate show windows, soda fountains and refreshment stands) best illustrates or presents to you one or more of the "six keys"? Tell why—and also where you saw the advertisement.

For the correct naming of the "six keys" and the best answers to questions 2 and 3, the following cash prizes will be awarded:

1st prize.....	\$10,000
2nd prize.....	5,000
3rd prize.....	2,500
4th prize.....	1,000
5th prize.....	500
10 sixth prizes (each).....	100
20 seventh prizes (each).....	50
200 eighth prizes (each).....	25
400 ninth prizes (each).....	10

A total of 635 prizes.....\$30,000

Radio Program—The Coca-Cola Girl—telling a story with music—every Tuesday evening during the contest, 9 to 9:30 Eastern Standard time, 8 to 8:30 Central Standard time, over the following stations: WEAF, New York; WEEI, Boston; WFI, Philadelphia; WRC, Washington; WGR, Buffalo; WCAE, Pittsburgh; WWJ, Detroit; WMAQ, Chicago; KSD, St. Louis; WHAS, Louisville; WSM, Nashville; WMC, Memphis; WSB, Atlanta.

#### Follow these simple rules

1. Contest will close at midnight August 25, 1927. All answers postmarked August 25, 1927, will be acceptable.
2. Contest is open to everybody—young and old—except people connected with The Coca-Cola Company or a Coca-Cola bottling company, or their families.
3. Do not mail your entry before the first week in August. You must see all "six keys" in advertisements before you can write correct answers, and the final key will not appear before the first week in August.
4. Write on only one side of your paper. Use typewriter, pen or pencil, but please write plainly.
5. Write your name, occupation and address plainly at the top of the first page of your entry.
6. Prizes will be awarded strictly on merit, on the following points:
  - (a) The correct naming of the "six keys" and the place you found each one.
  - (b) The best answer why any one of the "six keys" is a good reason for the popularity of Coca-Cola.
  - (c) The reasons you give (also the place you saw it) for the Coca-Cola advertisement (outside the newspaper and magazine advertisements) that best illustrates or presents one or more of the "six keys."
  - (d) The neatness and clearness of your answers.
7. All answers become the property of The Coca-Cola Company and may be used by it in advertising or otherwise. None will be returned.
8. Address all answers to

CONTEST JUDGES  
The Coca-Cola Company,  
Atlanta, Ga.

Announcement of the winners and awarding of the prizes will be made as soon after the close of the contest as the judges can complete their work.

The judges will be three former Presidents of the International Advertising Association (formerly Associated Advertising Clubs of the World) and the President of the Coca-Cola Bottlers' Association, and their awards shall be final.

30 YEARS BURIED AT  
LILAC

G. W. Wheatley, 72, pioneer of Lilac was buried Wednesday in the Lilac cemetery.

He died in the home of his son at Port Arthur Sunday evening at 6:45 o'clock following a long illness. He was stricken with paralysis on Easter Sunday and never survived the effects of the stroke.

G. W. Wheatley was a native of Georgia, coming to Texas and settling at Lilac in 1893 where he reared his family of two sons and a daughter all of whom survive him. He engaged in farming at Lilac and was postmaster there and operated a general store for a number of years.

Mr. Wheatley was well known to the older residents here and at Lilac. He went to Port Arthur about two years ago to live with his children.

He is survived by two sons, M. J. Wheatley and J. W. Wheatley of Port Arthur and his widow, Mrs. Minerva Jane Wheatley of Port Arthur; a daughter, Mrs. W. T. Walker of Lubbock.

The funeral services, directed by the Coleman Epley undertaking home and conducted by Rev. John Moore of San Gabriel and Rev. Rice of Lilac, were held at the Lilac church with interment in Lilac cemetery at 3 o'clock Wednesday afternoon.

Mr. Wheatley was largely responsible for the building of the church at Lilac, contributing his funds and time and directing the movement.

The many friends of the family will be sincerely grieved at his death and extend their sympathy to the family.

The Woodmen of the World of which he was a member, had charge of the burial.

### Missionary Meeting

The Christian Missionary Society met in the home of Mrs. Verge Woolley Monday afternoon with seventeen in attendance.

The missionary lesson, 'The Philippine Islands,' was ably led by Mrs. Felicitia Morgan. Interesting papers were read by Mesdames G. C. Walters, Wallace Jones and Raymond Beard.

Mrs. Bertha McMaster, general secretary of the Texas Woman's Christian Missionary Societies of Ft. Worth was present and gave a very inspiring talk on the general work of the societies.

The hostess served delicious ice cream and cake.

Slavery has recently been abolished in the state of Kalat, Baluchistan, a dependency of India, where it has been a part of the social scheme since the Sixth Century B. C.

There are nearly 700 varieties of plants on the Hawaiian Islands that are found nowhere else in the world.

### Bass Club Entertains

Members and their families and guests enjoyed a barbecue by the Cameron Bass Club on the shores of Hefley lake on Thursday night.

The barbecue was prepared under the direction of W. B. Levy and lemonade and ice water together with salads, cakes and other good eats were served to the large crowd.

Mrs. J. P. Love in response to the entertainment invitation assured the club members of the appreciation of the women for the fine courtesy. The wives of the members, it is said are to give the club members a chicken supper at the lake sometime in the future and the club members are looking forward with great pleasure to the event.

In a business session the club instructed Chas. Pollard, secretary, to employ labor to clean the moss from the lake. A committee was appointed to get fish to stock the lake and the committee will go this week to attend to this matter.

The club now has 30 members. Rev. J. P. Love, active in organizing the

club was asked to conclude another lease on the lake with option for another year beyond the lease.

It is hoped that when the lake has been cleared of the moss that fishing will be better and will be a real sporting paradise for the members.

### T. P. & L. Official Here

Beeman Fisher, advertising manager for the Texas Power and Light Company was a visitor in Cameron last week, coming here in connection with his field of endeavor for the company.

The Texas Power and Light Company is conducting a campaign of constructive work over Texas in encouraging development of industries.

The company has the hearty co-operation of the people everywhere in this work of industrial development. Community resources are now being brought under harness in many places as a result of the fine work Mr. Fisher's department is doing in the way of favorable and educational publicity.

## Second Liberty Loan Bonds Called for Payment

NOVEMBER 15, 1927

All 4 per cent and connected 4 1-4 per cent Bonds of the second Liberty Loan have been called for payment on November 15, 1927 by the Secretary of the Treasury.

Interest will cease on that date. Bonds will be redeemed at \$100 and interest.

Co-operating with the Treasury Department this institution offers its facilities to those now holding any of the \$1,700,000,000 outstanding bonds of this issue.

Should you wish to sell your bonds or when you redeem them in November we will be glad to handle the details for you.

### Piano Pupils Robert Smith In Recital At Yoe High School

The piano pupils of Robert Smith appeared in annual recital at Yoe High School auditorium on Monday and Tuesday nights of this week. Mr. Smith has been a successful instructor in piano for a number of years and always graduates a fine class of pupils.

The Monday night program was as follows:

Poet and Peasant (6 hands)—Dora Emily Moore, Gladys Davis and Geraldine Slaughter.

Orfa—Christine Kubecka.

Waltz—Lizzie Beth Martin.

La Madonna—Mildred Burnett.

La Belle Lorraine—Lillian Mondrik.

Glassando Mazurka—Ruby Phipps.

Autumn Leaves—Glenn Brooks.

Dancing Waves—Nell Sue Tyson.

Whither—Ruby Robbins.

Grand Marche de Concert—Lois Robbins.

Two Larks—Inez Evans.

Triumphal March from Aida—Ethel Green.

Jugglery—Bethel Middleton.

Dream of Love—Kathryn Atkinson.

Caprice Espagnole—Geraldine Slaughter.

Romance, op. 24, No. 9—Dora Emily Moore.

En Route—Gladys Davis.

Ballade, op. 20—Cornelia Gunn.

Polonaise, op. 11—Lola Clinton.

The Tuesday night program was as follows:

Picking Wild Flowers—Regina Moseley.

Playing Soldier—Dell Horstmann.

Holiday March—Edna Merle Deer.

Mocking Echo—Alice Rylander.

Sunbeam Schottische—Helen Swift.

Honey Bee—Wenonah Slaughter.

Swing Song—Carolyn Cheeves.

Twilight Shadows—Abbie Reese Harvey.

Mifflin March—Verna Beth Beard.

Sweet Memories—Serena Weems.

Tarentelle—Henriem Hefley.

How Sweet the Moonlight Sleeps—Warrene Janeway.

Gitana Mazurka—Mattie Ruth Chambers.

Lady of the Lake—Juanita Smith.

Pansy—Dorothy Kidd.

Lake Side—Elizabeth Eanes.

Adriodack—Ethel Mondrik.

Whisperings of Love—Mary Louise Graves.

Polonaise, op. 28—Marjorie Dusek.

Song of the Woodman—Cora Barmore.

Norwegian Cradle Song—Bonnelle Neinst.

The Navajo Warrior—Francis Sharpe.

Dance of the Winds—Mary McDermott.

Qui Vive Galop (4 hands)—Lois and Ruby Robbins.

### Marriage Licenses

David Myron and Geneve Morgan. L. H. Washburn and Mattie Ludwig.

Raymond Ferguson and Irene Wilson.

Juan Esparza and Angela Ravzel.

T. J. Meier and Marie Goevie.

John Kieschke and Tressie Schiller.

Joe Sanchy and Adela Valverde.

### Automobile Licenses

Immanuel Simank, Ford Touring, Thrall.

Mrs. O. K. Phillips, Chevrolet Landau, Rockdale.

Kent Middleton Refining Co., Ford Coupe, Minerva.

A. R. Ramseur, Ford Touring, Thorndale.

John Bumiva, Ford Touring, Rockdale.

W. L. Keith, Chevrolet Roadster, Cameron.

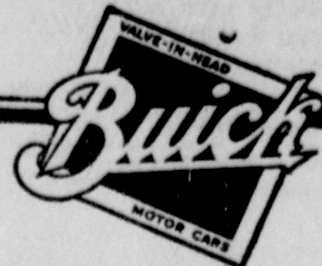

### TO ALL HOLDERS OF SECOND LIBERTY LOAN BONDS NOTICE OF REDEMPTION

All outstanding Second Liberty Loan 4 per cent bonds of 1927-32 (Second 4's) and all outstanding Second Liberty Loan 4 1/4 per cent bonds of 1927-32 (Second 4 1/4's) are called for redemption on November 15, 1927, pursuant to the terms of their issue. Interest on all Second 4's and Second 4 1/4's will cease on said redemption date, November 15, 1927.

Holders of Second 4's and Second 4 1/4's will be entitled to have the bonds redeemed and paid at par on November 15, 1927. Such holders may, however, in advance of November 15, 1927, be offered the privilege of exchanging all or part of their bonds for other interest-bearing obligations of the United States. Holders who desire to avail themselves of the exchange privilege, if and when announced, should request their bank or trust company to notify them when information regarding the exchange offering is received.

Further information may be obtained from any Federal Reserve Bank or branch, or from the Commissioner of the Public Debt, Treasury Department, Washington.

A. W. MELLON,  
Secretary of the Treasury.  
Washington, May 9, 1927.

## Buick is in a Value Class

**B**UICK'S position of leadership is founded on value. Its constant aim is to build each Buick better than the last.

And today, despite that leadership well won and firmly held, Buick is constantly seeking to improve its design—constantly searching for the new and better thing—constantly striving still further to increase the value on which Buick's leadership is based.

The most famous queen bee of all time was valued at one thousand dollars, her daughter selling for three hundred dollars.

An Essex Super-Six sedan de luxe, with a number of advanced ideas in body construction is announced by the Hudson Motor Car Company. Shipments on this new model have begun and the cars are on exhibition in the display rooms of Horstmann Brothers, Hudson-Exsex dealers.

For the first time in motor car history, it is claimed by Hudson-Exsex engineers, an "airplane type" of construction has been utilized, with aluminum panels fabricated on a framing of steel. This unique construction is said to combine strength and rigidity of construction with lightness of weight. Even though this sedan is substantially larger and roomier than the standard Essex body types, the size has been obtained, it is declared, without excessive weight, so that standards of performance are entirely maintained. The body is manufactured by the Hudson organization in its own body plant.

"An interesting feature of this car," said Mr. Horstmann, "is the curving contour. The whole exterior of the body is worked out in attractive proportions, and with the sides, top and back all rounded pleasingly into each other. Full advantage is taken of the higher hood and radiator of this year's Essex, so that the whole car is an attractive and handsome unit.

"The interior is finished with a completeness and richness to be expected in a de luxe type of car. Upholstery is mohair and velor. Among the fittings are a smoking set and an additional ash receiver, a dome light, robe rail, silken curtains on the rear and rear quarter windows, and a rear vision mirror. The car is equipped with special nickel-finished lamps.

"Essex has designed and built this car to top off its Super-Six line. This year's chassis has been received with such universal enthusiasm that a de luxe body was called for which would correspond with the custom-built Hudson models. Admirers of the Essex chassis no where available to them an additional and distinctive type of body which is finished in the best degree of good taste and luxury.

"With the introduction of this body, Essex offers six car types: the open 2 passenger speedabout and 4-passenger speedster; and the closed coupe, coach, standard sedan and the de luxe sedan.

### NOTICE IN PROBATE

#### The State of Texas

To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

#### The State of Texas

To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are re-

quired to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with

your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON,  
Clerk, County Court, Milam Co., Tex.

## A Manly Gift FOR THE Boy Graduate

### You Can't Beat a WRIST WATCH

If there's one thing the boy of today wants it is a wrist watch. We have them here—a wide collection of models and makes—in a wide range of prices.

Gold, silver and nickle watches; black, tan and gray straps. Round watches; square shapes; oblong and octagonal shapes. Prices \$12.50 to \$50.

If perchance the boy already has a wrist watch, there's:

Belt Buckles

Bill Folds

Cuff Links

Fountain Pens

Gold Knives

Traveling Sets

## SHOULD A CITY OWN ITS WATER AND LIGHT SYSTEMS?

BY H. D. HACKERSMITH

(Delivered at Meeting of League of Texas Municipalities at San Angelo).

Mr. President and gentlemen of the League of Texas Municipalities:

To me has been assigned the subject. "Should a city own its public Utilities, especially its Light and Water Systems?"

In answer to this, I unhesitatingly say that it should do so by all means, and in support of my contention, I will give you some of the facts and figures, that I believe will convince the most skeptical of the correctness of my position.

If I were to say that this subject had fallen into most capable hands, that probably would not be true; but if I were to say that it was conversant with the conditions at Vernon, this I think could not have been questioned; for I doubt if there is another city in the entire state which proves so conclusively the affirmative of this question, as does Vernon. Right now at my beginning I crave your indulgence for reading, is that the answer to the question, is largely one of figures, and inasmuch as it is such an easy matter to omit something vital to the subject when speaking from memory, I have decided to risk your displeasure and read my findings instead of making a set speech. All the more because I consider the subject such an important one, and one on which but comparatively few cities have the correct dope.

Now in order that you may get the picture clearly before you, I will say that Vernon is now a city of from twelve to fifteen thousand people, forty per cent of this number has been added in the last three years. We are still growing and it would seem that in the next five years we will increase this by as much as five thousand.

Now to go back to the year 1922. Vernon had a population of some six or seven thousand people then. Among other utilities, we had a municipally owned water system, and an electric light plant owned by a foreign corporation. As between the two, the water system and the light plant, I shall devote this paper very largely to the latter, as I think there is but little controversy over the advisability of a city owning its water system.

Bonds for our water and sewer system in the amount of \$140,000 have been voted. It is functioning at the present time in a highly acceptable manner, but from a money making point, it is greatly inferior to the light plant. (water receipts for year \$32,284.94.) In the year 1922 and for some time prior to that date, our people were paying 15 cents per kilowatt for current for lighting, and they were paying .90 cents per hundred pounds for ice; the ice factory being owned and operated by the same people who owned the light plant.

We thought that these prices were exorbitant and we exhausted every resource to get them reduced to ten cents per kilowatt for current, and a reasonable reduction in the price of ice. In both of these we failed most signally, until from some quarter came the suggestion that we issue bonds and build a plant of our own. The idea met with almost universal favor and in due time an election was ordered to vote bonds in the sum of \$100,000 for the purpose stated. The election was held on January 10th,

1922 and the bonds were voted by three to one.

Hardly had the votes been counted before injunction proceedings were filed which resulted in a temporary injunction being granted. It might be mentioned in passing that within a few days after this election was held the price of ice was reduced to 60 cents.

Our people seemed disheartened and disgusted as a result of the injunction proceedings and things remained in statu quo until the latter part of the year. Harry Mason was mayor at this time and he was a warm advocate of the city plan and to him in a large measure should be given the credit for our present situation. After studying over the matter, he evolved a plan for building a light plant without issuing bonds.

The city had in its vaults an old issue of five per cent water works bonds which it had been unable to sell at par, on account of the low rate of interest, and as they were forbidden under the state law to sell them for less than par, they were in fact absolutely valueless as long as they were in the hands of the city.

After a prolonged investigation had been made, an arrangement was entered into with Fairbanks Morse and Company whereby they were to purchase these bonds at par and in consideration of that fact the city agreed to purchase certain machinery from them, the said Fairbanks Morse and Company. Said machinery being one (100) horse power semi-diesel engine and one (200) horse power engine with generators to correspond. In addition to the bonds referred to, the city issued warrants in the sum of \$40,000 payable in 40 years. Of this \$40,000 approximately \$20,000 was used in sinking some new wells to increase the water supply so that the amount actually put into the machinery for the light plant was only \$45,000.

And now our troubles began in earnest. The owners of the old plant saw that something was happening; an they were convinced that if they could not defeat the plans, that they were going to have some competition as was competition. They became desperate, and absolutely regardless of right or wrong, they resorted to every expedient known to the law, or outside of the law, to defeat us. Injunction after injunction was filed only to be denied; petty annoyances were resorted to; our water system was temporarily tied up and every possible expedient was brought into play to defeat us but happily of no avail.

All this time the building was going up to house the plant, and as soon as it was completed, the machinery was shipped and installed. Before the plant was ready for business the people began making for application for service and connections were made so rapidly that in twelve months time, it became necessary to increase our capacity. This was done by installing a 300 horse power engine and generator similar to the original purchase. The demand for service increased so rapidly that in less than six months another and larger engine and generator was installed this time a 360 horse power.

It was expected that this would care for the needs of the plant for quite a while to come but one year later another 360 horse power unit was purchased and installed, giving us at this time a total of 1320 horse power. The present indications are that in a short time our capacity will still have to be increased: In all probability the next change that will be made, will be to trade in one or more of our smaller units for a 720 engine or larger.

Our rates have never been changed. We began by charging 10 cents per kilowatt for lighting with a sliding scale for the large user. For power we charged five cents with a more flexible scale.

Now to go back a little; as soon as we began operations, our competitor cut the price to eight cents in the face of the statement made to us that they could not do business for less than 15 cents. We paid no attention to this cut and as far as we could tell it had no effect at all upon our business. Seeing that this was a failure they became desperate and in a few months they made another cut; this time it went to 5 cents. However, this had a contrary effect to what they expected; in fact it was a veritable boomerang; for the very day that they made this last cut, we got thirty of their customers and lost none. This opened the eyes of every one interested and they saw what could likely happen to them if the city plant could be throttled. This five cent rate was continued for about a year when they went back to eight cents, where it now remains, at least theoretically. Based on a statement made to me a few days ago by our bookkeeper, the number of our patrons has increased forty two per cent from April 30th of last year to April 30th of this year. Our estimate is that we have something near seventy five per cent of the total business of the city.

One big explanation of our success is that our service is full 100 per cent. The word "shut down" is not in our vocabulary. We employ a competent chief engineer and three men who work under him in eight hour shifts. We have one head electrician and three men under him to do line work. For fuel we use gas oil of 32 to 38 gravity. Our building is of brick, 40 by 125 feet and absolutely fire proof. As an evidence of this, we do not carry one dime's worth of fire insurance, neither on the building nor contracts.

For the year ending April 30th this year, our gross receipts were \$57,818.50 making an average of \$4,818.20 per month. Our monthly expense is about \$1,650. This however varies somewhat owing to fluctuations of fuel oil. This as you will see, leaves us a net profit per month of \$3,168.20 or a little more than \$38,000 per year. Naturally the question arises what do you do with all this money? Please bear in mind that we have no bonds money for taking care of extensions. Also that we started with an extremely small plant owing to the limited amount of funds at our disposal. Out of this money we have created a splendid building and paid for it; bought and paid for \$160,000 worth of equipment and you will readily understand that our outside construction has during this time called for a big outlay in the matter of transformers, wire, poles, etc. It will be conservative I think to say that the total cost of the plant will reach \$200,000. Our total indebtedness at this time is only \$14,000 which is the yet unpaid amount for the last engine we installed. We are paying this promptly as it becomes due in monthly installments of \$800.00 per month.

I might say in passing that a considerable part of this money has been expended in paying the city's running expenses. Vernon has the lowest tax rate of any town of which I have any knowledge, that is, anywhere Vernon's population, it being only \$1.75 on the one hundred dollars and this includes \$1.00 school tax as Vernon has control of its schools.

I am now about to make a statement that will probably surprise you. Notwithstanding the fact that all this machinery was bought on credit, not one cent of security has been asked or given to the vendors except that a lien was retained on the goods which they sold. In other words, the goods were bought with the understanding that they were to be paid for out of the earnings of the plant. Some confidence that, I call it. Here is the whole matter in a nut shell. The city of Vernon has a plant that represents an actual outlay of approximately \$200,000 and has a sales value of probably twice that amount, and it has actually cost them only \$45,000.

About one year ago our competitors, The Central Texas Power Company, as they now call themselves, made the city an offer of \$250,000 spot cash for the plant. They succeeded in getting an order for an election to determine whether or not the people wanted to sell. Quite an interest was aroused and the result of the election was that the offer was refused by that same old majority, 3 to 1. My honest opinion is that we could get an offer of \$500,000 spot cash for the plant; and I further believe that if the offer were made it would be turned down by that same old majority, 3 to 1. And when you come to analyze the matter, there would be abundant grounds for their refusal. The average bill of our patrons is about \$5.00 per month. Under the old company's rate it would be \$7.00. Now estimating that we have 1050 patrons this

means a direct saving to them of \$2,625.00 per month or a total during the year of \$31,500.

Now for another phase of the case. It is not only our own patrons who are benefitted but also the people who buy their current from the other company, for if we were not in business they would be paying the old rate of fifteen cents. Suppose we estimate the mat four hundred, there is another saving of \$900.00 per month, or \$10,800 per year; these figures represent an actual bona fide saving to individual consumers of more than \$50,000 per year.

Really it seems unnecessary to produce any more figures to prove that a light plant is a good investment for the city, but there is still more to follow. I have been in correspondence with several cities in the state that are even smaller than Vernon, with reference to the cost of pumping their water and lighting their streets.

Based on the information thus obtained, an extremely conservative estimate would be \$250.00 per month for lighting our streets. Our water consumption the year round will easily average 800,000 gallons per day. The lowest proposition that we ever received from the old company for pumping was four cents per thousand gallons. This figures \$32.00 per day or \$960.00 per month. Adding the cost of pumping and the cost of lighting the streets gives us \$1210.00 per month or a total of \$14,520 per year for these two items. Now as a grand climax these different actual savings add up the very respectable amount of \$65,700.

In closing I wish to refer you to two cities in our sister state of Oklahoma, Altus and Ponca City. Altus has a municipally owned plant and has no competition. The earnings of their plant last year was such that the City Commissioners did not consider it necessary to levy any tax for the running expenses of the city and accordingly no tax was levied except for school purposes. Now just consider how big that sounds. You know that taxes are what we talk about most, and to think that the citizens of any city could not only receive the benefits of a cheap rate for electric current but at the same time make a profit for the city sufficient to render it unnecessary to levy tax for the city expenses, this sounds utopian indeed, but the facts remain that it is true. The thing that puzzles me most is how any city can hesitate about installing a municipal plant in the face of such facts.

And now listen to a clipping in regard to the plant at Ponca City. I have been familiar with conditions at Ponca City for some time past and I know that the statements in this clipping are not exaggerated in the least. Please give it careful attention.

By Don E. Mowry, Secretary, the American Community Advertising Association.

The steady rise in municipal tax rates has been one of the most pressing problems, of late years, that American cities have had to face. But Ponca City, Okla., is one place this problem doesn't apply.

The reason? Ponca City has a municipal electric light plant which is on a business basis.

This light plant has cleared approximately \$550,000 in the past five years although its rates are no higher than elsewhere in Oklahoma. The city has been offered a million dollars for the property, but it laughs at all offers.

More than \$330,000 has been diverted from the profits to the general revenues of the city government, a saving of that amount to the taxpayers.

The present maximum tax levy in Ponca City is only 6 mills, and the money raised by taxation for general fund purposes is only \$35,000 a year. How many other cities of over 7,000 population can get along on a tax revenue of that size?

Not long ago it was necessary to make some improvements in the light plant. Public confidence was such that there was no trouble in floating a bond issue of \$300,000, which is to be paid back out of the profits at the rate of \$50,000 a year.

The net income from the plant in 1926 was \$156,085.

Now that I have tried to give you the affirmative side of this question, there remains only this to be said. It is essential that the people understand the matter; for the reason that like any other business concern, it depends upon patronage for its life. In the very nature of things, you can not

force this patronage; it must be voluntary. It however should be a very simple matter to place the facts before them as they really exist. In case bonds are voted to erect the plant then let the people understand that they are stockholders and that every dollar they pay out to the plant comes back to them either in decreased rates or decreased taxes or both. As to cost per kilowatt.

And now gentlemen I have given you a very disconnected paper. I have not attempted to give you a literary production that could enter a contest as such but have tried to marshal a few stubborn facts that happily might impress you as being true. If there is anything that I have not made clear I will be glad to attempt to make it clear.

I ask for and will appreciate your—

**MAY 30**

**Know the thrill of the Super-Six**

**Millions may now experience what thousands already know**

**Motorodom's Highest Achievement—**

**the speed, power and safety of Super-Six Performance in a Nationwide "Demonstration Week"**

Hudson dealers were never so busy—our sales were never so large—customers were never so pleased—the value never so great.

Thousands of cars have been sold without opportunity to demonstrate them. Demand has kept the market stripped so that few but imminent buyers have had an opportunity to ride.

Now with Hudson dealers giving principle attention for one week to demonstrating the new Hudson Super-Six, all motordom may have first hand experience of what is possible with the Super-Six principle released in full capacity. Until you ride in the Hudson Super-Six there is a motoring thrill you can never know.

You see Hudsons everywhere. You admire their striking beauty. You note their flashing performance. And you see in them the greatest values motordom has ever offered.

In appearance, beauty of detail and finish, and in performance, you compare Hudson with cars costing twice as much. Make it stand out in your mind that Hudson's price is hundreds of dollars below any car with which it is compared.

Take advantage of this special demonstration opportunity. Ride in the New Hudson Super-Six even if you have no immediate intention of getting a new car.

## Two In Family Die Same Day; One Is Buried At Lilac

A strange and sad co-incidence was the death on Sunday of two members of the family of M. J. Wheatley at Port Arthur. The dead are Mrs. Frank Kelly at Navasota and G. W. Wheatley at Port Arthur.

Mr. Wheatley, father of M. J. Wheatley, died at 6:45 p. m. on Sunday and Mrs. Kelley, grand mother of Mrs. M. J. Wheatley died at 3 a. m. on Sunday. Mrs. Wheatley was called

to Navasota, taking the noon day train out of Port Arthur. A telegram to her early that evening announced the death of Mr. Wheatley in Port Arthur.

Mrs. Wheatley remained in Navasota and after the body of G. W. Wheatley had been prepared for shipment to Cameron Mr. Wheatley and his mother, Mrs. Minerva J. Wheatley left for Navasota to attend the funeral of Mrs. Kelley.

From Navasota where the funeral was held at 4 p. m. on Monday there, they came to Cameron Tuesday morning and on Wednesday attended the funeral of G. W. Wheatley at Lilac.

The body of the father, 72, was accompanied to Cameron by J. W. Wheatley also of Port Arthur and son of deceased.

Mr. and Mrs. M. J. Wheatley and Mrs. Minerva Wheatley, the mother and J. W. Wheatley left Cameron Thursday morning for their home in Port Arthur.

Their many friends here and at Lilac extend their sympathy to the bereaved relatives.

## Birthday Party

Mrs. J. M. Dickens entertained with a delightful party honoring her little daughter, Evelyn's ninth birthday. About fifty boys and girls were present and enjoyed games on the lawn. Misses Laurita Evans, Althea Dickens and Julia Mae McCollum supervised the games and every one had a good time. The little honoree was the recipient of many pretty gifts.

A large birthday cake with nine pink candles centered the dining table and was cut by the hostess. Pink and white cream cones and cake were served.

## Auxiliary Party

The annual Birthday Party of the Presbyterian Auxiliary was celebrated Monday afternoon at the home of Mrs. Ben Atkinson. Mrs. Henry Sapp had charge of the program. The devotion was led by Mrs. N. H. Butts, assisted by Mrs. H. G. Kenney.

Mrs. Floris Criswell of Buckholts read an interesting paper on "Jennie Speer School in Korea." A pageant, "A Korean Kable" was given by the following girls: Misses Katharine Ely, Florence Atkinson, Katharine Atkinson, Dorothy Lesovsky, Jane Tyson, Geraldine Miles, Doris Davis, Jennie Tyson and Mrs. W. B. Denson. Mrs. Ben Atkinson and Mrs. Bud-

die Wilson gave a dialogue, "When Hands Are Tied."

Out of town guests were Mrs. D. K. Hall of Ad Hall and Mrs. Harvey Chamberlain of Walker's Creek.

The hostess served orange ice and cake.

The ladies of the Auxiliary will have a rummage sale Saturday, after which they will disband for the summer months.

## S. S. Class Meeting

Members of the Friendly Bible Class met last Friday afternoon at the Methodist church for a business meeting.

The president, Mrs. W. A. Bonds, presided over the meeting. Reports from the various committees were heard.

The members decided to have a Friendly Basket. In this basket there is a small bank, a booklet and a verse which tells what each one is expected to do as follows:

"In this basket you will find, A little gift from a neighbor kind, And then again if you will look You will also find a little book. 'In the book, please write your name So we will know from whom it came, Put in a gift and the basket send, Around to some other friend. Also put a quarter in the bank, And we will you forever thank.'"

A delightful program was given. Mrs. Edwin York gave a reading and many stunts were pulled.

A business meeting will be held each third Friday afternoon at the church, with four hostesses. Hostesses for this enjoyable meeting were: Mesdames Julian Baskin, Arthur Baskin Jr., Mrs. W. A. Bonds and Mrs. Reddin Alford.

## NOTICE IN PROBATE

The State of Texas  
To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas  
To all persons interested in the estate of Charles M. Williams, deceased: W. B. Cochran has filed an application in the County Court of Milam County, on the 23 rd day of May 1927 for appointment as administrator of the estate of Charles M. Williams, deceased, which said application will be heard by said Court on the 6th day of June 1927, at the Court House of said County in Cameron at which time all persons interested in said estate are required to appear and contest said application, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at Cameron this 23 rd day of May 1927. 4-2tc  
Lillian Atkinson, Clerk  
County Court, Milam County, Texas.

D. 1927, same being the 6th day of June, 1927, at the Court House thereof, in the town of Cameron at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, May 16, 1927 A. D. 1927. 3-2tc  
Lillian Atkinson,  
Clerk County Court, Milam County, Texas.

## Noted Prima Dona At Chautauqua In Cameron June 16th

Laura Townsley McCoy, the sensational and dainty prima donna with "The Firefly," the comic opera by Rudolph Friml, who also wrote "Rose Marie," had the honor of singing for Queen Marie of Roumania when Her Royal Highness was a visitor in this country last year.

Before a cheering crowd that filled the American Royal Pavillion in Kansas City last November, this little wisp of soprano trotted gracefully out to the front of the huge platform before a sea of faces, and sang so beautifully and so charmingly that the Queen of Roumania, who was a distinguished visitor of the Concert, was noticeably pleased and applauded most heartily at the conclusion of the aria by Miss McCoy.

Laura Townsley McCoy has been a songster since she was a mere child. As a matter of fact she appeared before the public when she was three years old. She read everything musically she could get her hands on, and, when she was fifteen years of age, she did solo parts in one of the largest churches in Brooklyn, New York.

Miss McCoy is not new to the platform, having appeared in recital and concert in the leading American cities. Her personality and voice have won marked approval from both critics and audiences.

As an interpretative artist Miss McCoy shows an unusual faculty for characterization, and, with a distinctive grace and irreproachable stage presence, her acting and singing are

always artistic in the fullest sense.

"The Firefly" promises to be one of the most startling musical productions of Chautauqua programs for many a day.

Fishermen on the north Pacific Coast have established a new industry in obtaining pearl essence from the scales of herring, sardines and shad. The substance extracted from waste fish is known as gaun, and is used in the manufacture of artificial pearls.

## Corns

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.

## Recital

Music lovers in Cameron appreciate the splendid recital given by the pupils of Mrs. R. P. Jeter and Mrs. Paul Webb at the Yoe High school auditorium Friday night May 20th.

Mrs. Jeter and Mrs. Webb have been very successful in instruction to their classes in Cameron and each year have a large number of pupils.

The following program was rendered:

Trio—Fast Mail Galop—Catherine Mode, Patricia McGregor and Margaret Fisher.

Twinkling Stars—Ruth Mode.

Duet—Busy Honey-Bees—Katherine Monroe and Bess Mangum.

Why—Helen Ryan.

Waltz of the Flower Fairies—Katherine Monroe.

Birds—Frances McDermott.

Song—Lucille McDermott.

Love's Chidings—Margaret Fisher.

Floating in Air—Helen Dierr.

Here Comes the Parade—Patricia McGregor.

The Dancing Sprites—Katherine McIntosh.

Duet, Hunter's March—Mildred Moore and Mary Newton.

Thistledown—Maidie Watson.

Fairy Elves—Mildred Moore.

Flying Leaves No. 3—Catherine Mode.

Woodland Brooklet—Mary Newton.

Love Dreams—Jane Tyson.

Feu Follet—Frances Smith.

Dance of the Winds—Arnette Ryan.

Scherzo in B Flat—Florence Atkinson.

Balancelle—Nancy Ree Slocumb.

Trio, In the Arena—Katherine McIntosh, Maidie Watson and Helen Dierr.

The famous Stradivarius made about one thousand violins, half of which were lost or destroyed. Of the five hundred still in existence, about one-third are in the United States, the others being scattered over the rest of the world.

The use of the shell of fresh-water clams in button making is causing the species to vanish.

"The Clubman's Bible," as the new directory of club members is dubbed in New York City, has just been issued showing more than 40,000 names of men and women in the active membership of forty-five leading clubs in the metropolitan district.

Experiments with electric-light traps are to be made in New York State to lure to destruction the female codling moth before she has opportunity to deposit her eggs in apple blossoms.

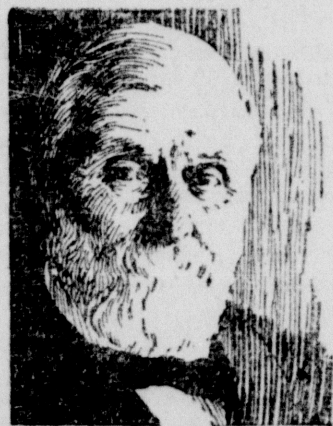

How Doctors Treat

Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please, no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

DR. W. B. CALDWELL  
AT THE AGE OF 83

## A Child's Laxative which Mothers Can Rely On

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he constantly advised mothers to give only a harmless laxative which would help to establish natural bowel "regularity."

In Dr. Caldwell's Syrup Pepsin mothers have a regulating laxative which they can depend upon whenever a child is constipated, bilious, feverish or sick from a cold, indigestion or sour

## NOTICE IN PROBATE

The State of Texas  
To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas

To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are required to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON,

Clerk, County Court, Milam Co., Tex.

Native erring husbands in Central Africa are fed a lizard porridge by their wives, who have a firm belief clams in button making is causing of the homing instinct.

A young veterinary surgeon has opened a beauty shop for dogs in Paris, having a staff of doctors, dentists, surgeons, hair dressers and beauty specialists.

There is a sundial in Druid Hill Park, Baltimore, of polyhedral type, each face indicating the sun time in some distant city.

## Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder  
Bothers You, Begin  
Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

## A Child's Laxative which Mothers Can Rely On

stomach. All children love its pleasant taste. Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself how perfectly it cleanses and regulates the bowels of infants and children.

The value of automobiles owned in New York State is placed at \$563,000,000, while that of livestock is appraised at only \$250,000,000.

"If I go down into your country I will level your great city to the ground," wrote the Macedonian King Philip to the Spartans, called Lacons because they inhabited that part of Greece known as Laconia. The reply delivered to Philip contained only one word: "If!" Today when a person speaks briefly and to the point we say that he is "laconic."

A jet black cat rode the trucks of a Union Pacific passenger train from Ogden, Utah to Chicago.

The ear of a person never changes during life and as a means of identification is as sure as fingerprints, according to United States immigration officials, who recently admitted a Chinese woman to this country after identifying her ear with that in a photograph taken in her childhood.

## Stop That Cold Before another day

A cold may be stopped in 24 hours, the fever checked, the bowels opened, the entire system toned. The way is HILL'S—a way so efficient that we paid \$1,000,000 for it. Don't rely on lesser help, and don't delay. Get the quick, complete results that HILL'S is bringing millions.

## Overdoing?

Hurry, Worry and Overwork Bring  
Heavy Strain.

MODERN life throws a heavy burden on our bodily machinery. The eliminative organs, especially the kidneys, are apt to become sluggish. Retention of excess uric acid and other poisonous waste often gives rise to a dull, languid feeling and, sometimes, to toxic backaches and headaches. That the kidneys are not functioning perfectly is often shown by burning or scanty passage of secretions. More and more people are learning to assist their kidneys by the occasional use of Doan's Pills—a stimulant diuretic. Ask your neighbor!

**DOAN'S PILLS**

Stimulant Diuretic to the Kidneys  
Foster-Milburn Co., Mfg. Chem., Buffalo, N. Y.

**Monday May 30**

1918

From wrath-red dawn to wrath-red dawn,  
The guns have brayed without abate;  
And now the sick sun looks upon  
The bleared, blood-boltered fields of hate  
As if it loathed to rise again.  
How strange the hush! Yet sudden, hark!  
From yon down-trodden gold of grain,  
The leaping rapture of a lark

A fusillade of melody,  
That sprays us from yon trench of sky;  
A new amazing enemy  
We cannot silence though we try;  
A battery on radiant wings,  
That from yon gap of golden fleece  
Hurls at us hopes of such strange things  
As joy and home and love and peace.

Pure heart of song, do you not know  
That we are making earth a hell?  
Or is it that you try to show  
Life still is joy and all is well?  
Brave little wings! Ah, not in vain  
You beat into that bit of blue:  
Lo! we who pant in war's red rain  
Lift shining eyes, see Heaven too.

1927

With that past, its memories leading us on to the heights, may we enoble their sacrifice and make secure the aspiration that quickened the heart beat as the lark pinioned its way up to the blue and to peace.

## GREAT TRADES DAY IN CAMERON JUNE 10

SAN ANTONIO BUSINESS MEN  
COMING ON SPECIAL  
TRAIN

The retailers, bankers and professional men of Cameron are co-operating with the local Chamber of Commerce to stage a great Trades Day here Friday, June 10th.

The merchants of this city are participating by offering especially priced merchandise to make the Trades Day all that the name implies—a great day of trading for the people of this city and this territory.

Every merchant participating in this Trades Day will have his store attractively arranged to facilitate trading on this banner June Trades Day.

The San Antonio wholesalers and manufacturers, who supply much of the merchandise sold by local retailers will come to Cameron in a special train to assist the local merchants in staging and celebrating this great Trades Day. The special train carrying this San Antonio delegation will stop at the railroad at the point nearest the city and they will be met by a delegation of local business men, Friday, June 10th at 4:35 P. M.

The people of this city and surrounding territory will be privileged to go through the several, especially arranged baggage cars to view the exhibits of San Antonio made and distributed merchandise. Every school child, every adult in this city and this territory, should visit these cars. You will see an array of merchandise, some of it in the raw, some in the finished product, that will amaze you, that will thrill you.

You will see a great variety of merchandise that is wholesaled and manufactured right in your own territory, merchandise that is sold in the local stores. Two baggage cars will be devoted to the preparation of San Antonio made foods and food ingredients. You will find the most delicious, piping hot doughnuts made from Cot O-Nut. You will be privileged to taste delicious chili products, steaming coffee and a score of other foods. These foods and drinks are then, too, you will have delicious cold foods. These foods and drinks are furnished by San Antonio wholesalers and manufacturers co-operating with the good retail merchants of this city.

Yes, there will be a band.

The San Antonio delegation is bringing a band to our city to lead the parade from the stage to the center of our city and there hold a band concert. Mr. J. W. Coleman, President of the local Chamber of Commerce will lead the parade along with his aides, officers of the club, to the center of the city. The band concert will be followed by a four minute talk by our esteemed citizen and president of the local Chamber of Commerce who will introduce a speaker from San Antonio who will be given just five minutes to tell the advantages of trading with your home-town merchant. In addition to the prizes and premiums offered by the local retail merchants, the San Antonio manufacturers and wholesalers, co-operating with the local retail merchants, are offering more than \$150.00 worth of merchandise prizes to be given away under the direction of the Chamber of Commerce in the following manner:

The first prize of more than \$50.00 worth of merchandise will be given to the individual or family who spends the greatest amount of money in this city on Trades Day (with all of the merchandise.) You, as a purchaser should get your cash or credit slips from your merchant on Trades Day, total them, and present them to the Secretary of the local Chamber of Commerce that you might participate in the opportunity for winning the first prize of valuable, seasonable merchandise, dry goods, clothing, foods, perfumes, dresses, accessories, etc.

The second prize, practically as valuable as the first, will be given to the individual or family who travels the greatest distance on Trades Day to make purchases from the local stores. The individual or family coming from distant points should register at the local chamber of commerce office in order that they might participate in the awarding of this second prize. The third prize of more than \$35.00 worth of desirable merchandise will be given to the largest family (mother, father and children, only) trading in this city on Trades Day. The merchandise for the first, second and third prize will be on display from Trades Day until the Saturday following Trades Day and at ten o'clock in the morning on the Saturday following the Trades Day, the local Chamber of Commerce will award the first, second and third prizes to the respective winners.

Local merchants are co-operating to make this Trades Day a great get-

together, a day when customer and merchant will renew their years of friendship, and when friends from all over the territory will come to this city on Trades Day, celebrating the event which is made possible by the local merchants.

### THE STATE OF TEXAS

To the sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Letters  
Estate of Decedents

The State of Texas,

To all persons interested in the Estate of Frank Lehnert, deceased. Richard Lehnert has filed in the county Court of Milam County, an application for the probate of the last will and testament of Frank Lehnert deceased, filed with said application, and for letters testamentary of the estate of said Frank Lehnert, deceased which will be heard at the next Term of said Court, commencing the first Monday in June A. D. 1927, same being the 6th day of June, 1927, at the Court House thereof, in the town of Cameron at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, May 16, 1927 A. D. 1927.

Lilian Atkinson,  
Clerk County Court, Milam  
County, Texas.

The lines of "Silver Threads Among the Gold," a song which made thousands of dollars for music publishers, were sold by Eben E. Rexford, the author, for \$3.00. Rexford was 18 years old when he wrote the verses.

### TEACHERS ELECTED

At a meeting of the Cameron School Board Tuesday, all teachers of the Cameron schools were re-elected for another year except those who previously notified the Board that they did not desire to be considered as applicants.

Official notice of election has been given the teachers, and June 1st has been fixed as the last date for signing contracts. A full list of the teachers who accept will be given after that date.

## Firestone GUM-DIPPED TIRES

### Firestone Round Tread Balloon

MANY Firestone Dealers are prepared to take in your old tires, offering you a liberal allowance on a new set of Gum-Dipped Balloons.

Firestone Dealers are given the advantages of attending Tire Educational Meetings held throughout the country, where tire design and construction are discussed. The sections of used tires reproduced here are a part of this program. Study these two sections and you, too, will understand what Firestone means by tires built for service and tires made to sell.

### Flat Tread Balloon

## OLDFIELD TIRES

At Low Cash Prices

30x3 Fabric	\$6.95
30x3 1-2 Fabric	\$7.95
30x3 1-2 Cord	\$8.70
29x4.40 Balloon	\$9.85
32x4 Cord	\$14.80
31x5.25 Balloon	\$16.90
33x6.00 Balloon	\$20.80

Oldfield Tubes Also  
Priced Low

The Firestone Gum-Dipped Balloon with its scientifically designed tread permits free flexing, easier riding, extra comfort and safety.

The balloon tire with heavy, flat tread design is obviously stiffer and rides harder. The excess rubber, placed for appearance at the edges of the tread, is not only wasted but produces hinging action causing ply separation and "shoulder breaks."

Firestone designed and manufactures Oldfield Tires and Tubes, distributing them direct to Firestone Dealers only, through 148 Factory Warehouses. This efficient and economical distribution assures tire buyers everywhere, clean, fresh stocks of Firestone and Oldfield Tires in all types and sizes, and has helped to make possible today's remarkably low prices—the lowest in tire history. See the Firestone Dealer today.

## BAPTIST CHURCH NEWS

## REVIVAL MEETING

Our revival meeting will start in full force next Monday, May 30th, Dr. Melton who is to do the preaching in the meeting will be with his church in Waco on Sunday and will come here for Monday Morning service at 10:00. Due to the fact that the high school commencement service is to be Sunday night at the Methodist church we will not have any service at our church that night.

Bro. Melton will be here for the morning service Monday and Monday night and we are hoping that our people will be lined up and ready to give their whole-hearted co-operation in service in this revival meeting.

The services will be as follows:  
The morning service, 10:00 to 11:00.  
Young people's meeting for all the departments under the direction of Mr. Black at 7:15.

Men's prayer service at 7:30.  
Women's prayer service at 7:30 at the church.

Regular evening service at 8:00 o'clock.

We may rightly expect some truly great gospel music in this meeting. We have a splendid senior choir. It is rendering excellent music at our regular church services. They will be ready to give their full support to the revival, in addition to the senior choir we now have a junior and intermediate choir just organized and they are getting together to do some good work and they will add their bit to the revival services.

As has been said before we have one of the best Bible preachers in Texas coming to preach the gospel through these series of meetings. Dr. Melton is truly a great Bible preacher and you will do well to make your arrangements to hear every one of his messages.

## VACATION BIBLE SCHOOL

Just following our Revival meeting will come the Chautauqua and give us a little rest between our meeting and the Vacation Bible School. Then just following the Chautauqua we will have our vacation Bible school for two weeks. We are happy over the interest that is being manifested in the vacation Bible school and we are looking forward to a great good time in this school.

## SUNDAY SCHOOL PICNIC

On Thursday, May 26th, we are to have an old fashioned Sunday School picnic. At this time every body is urged to come and bring their baskets well filled and go out to the tourist park at the river where we will have an old fashioned spread and a good time together.

There has been a committee appointed to see that transportation will be ready for every one who wishes to go. Remember that you are to be at the church at 4:30 if you desire to ride out with the crowd. There has also been a committee appointed to see that we have plenty of good drinks at this picnic, we do not know what the committee will arrange for us but

they were requested to arrange for something better than ice water.

Now it will be well for the children, the housewives and the busy business men to all get together and be young again for a while and enjoy the picnic. Remember we leave the church at 4:30. "Come thou with us and we will do thee good."

## Officers and Teachers Meeting

The officers and teachers of the Sunday School will meet Thursday evening at 7:00. This is a very important meeting and we hope that every teacher and officer will be present at that time.

## Progress in Associational Missions

J. H. Garrett

Some weeks ago the Secretary of the Executive Board sent out letters

to all the churches of the Association suggesting that they accept a definite quota for Associational Missions and raise a part of that quota, one third if possible by June 1. Following is the list of churches that have acted upon this suggestion and have taken some definite action regarding Associational Mission offerings. Those who have placed Associational Missions in the budget and are remitting monthly to the County treasury are: Cameron, Milano and Cameron Mexican church. Those who have accepted their quotas and agreed to raise a part of it by June 1 are: Ben Arnold, Buckholts, Gause and Rockdale.

There may be other churches who have accepted their quotas but have not reported the matter to the Secretary of the Board or the Missionary. Let every church in the Association co-operate in this matter by accepting its quota and reporting at once to the Secretary of the Board, Bro. F. J. Beckerman, Cameron. Send in as much cash as possible right away.

## WORKER'S CONFERENCE

The following program is to be held at the First Baptist church at Cameron Friday June 3.

10:00 a. m.—Song and praise service, H. P. Black, Cameron.

10:30 a. m.—"Signs of the Second Coming of Christ," W. P. Elliott, Milano.

11:00 a. m.—Sermon, W. W. Melton, Waco.

12:00—Lunch, served by Cameron ladies.

1:15 p. m.—Meeting of Executive Board.

1:15 p. m.—W. M. U. Meeting, Mrs. Henderson presiding.

2:30 p. m.—Song Pageant, Rockdale W. M. S.

## FIFTH SUNDAY MEETING

Post Oak and Lilac

Next Sunday is the Fifth Sunday in this month and two of our churches are planning an all day meeting for the day. We have not learned just what the program at Post Oak will be except that there will be an all day meeting and dinner on the ground.

At Lilac, the pastor J. L. McRae has arranged a full day, Bro. A. R. Toby of Rockdale is to preach at eleven o'clock, dinner will be served on the ground at the noon hour. In the afternoon there is to be an old fashioned singing. At night a B. Y. P. U. organization will be perfected.

## B. Y. P. U. ZONE MEETINGS

The south zone of the Milam County Associational B. Y. P. U. had its first meeting last Sunday at Thorn-dale. The attendance was small, nevertheless the writer feels that a good beginning was made. The next meeting of this zone will be held at Lilac, at 3:00 p. m. on the fourth Sunday in June.

The next meeting of the North Zone will be held at 3 p. m. on the first Sunday in June at Walker's Creek.

## WHAT THE CHURCHES ARE DOING

Bro. J. D. Clare has accepted the call to the Smyrna and Sand Grove churches; he preaches at these two churches on Saturday night and Sunday of the Second Sunday in each month.

The Missionary was in a few days meeting with the Ben Arnold church week before last. A pulpit committee was appointed and they are now on the look out for a good man for pastor, we are sure this church will call a pastor in the near future. Bro. Odell Jamison, pastor of the Walker's Creek church is to preach at Ben Arnold on the first Sunday in June.

The Davilla church has recently called Bro. W. P. Elliott as pastor for one fourth time. We understand he has accepted the call. We congratulate both church and pastor on this happy union.

The Missionary conducted a Singing School at Marlow last week. About twenty-five took the course offered in sight reading. This good church is doing splendid work under the leadership of Bro. M. L. Pardo. A B. Y. P. U. is to be organized in the near future.

The Missionary is in a B. Y. P. U. Training School at Lilac this week.

Umbrellas as a mark of elegance rather than a protection against sun or rain have been adopted by natives of French West Africa, according to the governor. Every native aspires to own at least one umbrella.

Although South America has over twice the area of the United States and 65,000,000 population, she produces less than one-third the amount of the average wheat crop of this country.

## Honoring America's War Dead

### MEMORIES

Memorial Day each year finds a grateful people ever more eager to pay homage to the dead and the living in whose memory and honor the holiday is set apart. Each year reduces still more the remnant of the great armies that have defended unto death the great principles of American freedom here and in foreign lands. And the shrinking lines touch the heart deeply.

Wars following that of the rebellion have seen to it that for many years to come there will be Memorial Days in America. But even should it be that no future wars should furnish martyrs, the gratitude of the American people to their soldier dead will make perpetual an annual day in which to pay them tribute.

Inspiring as is the procession, eloquent as may be the orator, touching as may be the flowering of veterans' graves, these seem wholly inadequate as honors to the departed and living.

These men fought and died in battle and prison camp not that their sacrifices might be the annual occasion of spectacle and ceremony. Their's was the nobler mission, a finer purpose. They fought for principal, for an ideal, which they had a right to expect their heirs would hold safe and secure.

Gratitude and appreciation are not always best expressed by lips and gestures. What America owes these warriors is more than the suspension of business one day a year, more than applause and cheers when the flag is carried by, more than pension and bonus, more than spoken and written eulogy.

A greater part of that debt is in firm and fixed resolution to carry forward and upward the ideals for which these men bled and sweat, to make secure the victory they won, to translate into results the nobler purposes that stirred their souls.
